## The Real-Life MBA

---

*will show you how to:*

- Move beyond the grind of everyday challenges at work to focus on what really drives performance
- Uncover and unleash growth where it's hiding in plain sight
  - Protect your organization from a competitive hit, or recover from one that has already nailed you
  - Understand and analyze "the numbers" for what they really are, especially if you're not the CFO
- Weather a social media thrashing and live to tell about it
- Cultivate the two essential behaviors of leadership today
- Manage the tech "geniuses" whose expertise may outstrip your own and the critical "virtual" employees who can too easily get lost in the ether
  - Create an energized, engaged team that is greater than the sum of its parts
- Hire people with a technique that leads to far fewer occurrences of "What was I thinking?"
  - Organize HR in a radically new way that positions it to change the game
  - Jettison yourself out of a career holding pattern and into a job in your "Area of Destiny"
