Witches And Witch Finders:

The Discovery of Witches Matthew Hopkins,2018-11-01 **The Discovery of Witches and Witchcraft** Matthew Hopkins,John Stearne,2007 Scholarly reprint of the writings of the Witchfinder General and his accomplice **The Discovery of Witches** Montague Summers,1982 **Scottish Witches and Witch-Hunters** J. Goodare,2013-10-31 This book brings together twelve studies that collectively provide an overview of the main issues of live interest in Scottish witchcraft As well as fresh studies of the well established topic of witch hunting the book also launches an exploration of some of the more esoteric aspects of magical belief and practice **The Discovery of Witches** Matthew Hopkins,2014-03-22 The Discovery of Witches In Answer to severall queries lately Delivered to the Judges of Assize for the County of Norfolk By Matthew Hopkins Witch finder Hopkins witch finding career began in March 1644 and lasted until his retirement in 1647 During that period he and his associates were responsible for more people being hanged for witchcraft than in the previous 100 years and were solely responsible for the increase in witch trials during those years He is believed to have been responsible for the deaths of 300 women between the years 1644 and 1646 It has been estimated that all of the English witch trials between the early 15th and late 18th centuries resulted in fewer than 500 executions for witchcraft Therefore presuming the number executed as a result of investigations by Hopkins and his colleague John Stearne is at the lower end of the various estimates their efforts accounted for about 60 per cent of the total in the 14 months of their crusade Hopkins and Stearne sent to the gallows more people than all the other witch hunters in the 160 years of persecution in England Witchfinders Malcolm Gaskill,2006-04-24 The most chilling witch hunt in English history fascinating Independent on Sunday A terrible tale marvellously told This is how history should be shown Ronald Blythe By the spring of 1645 civil war had exacted a terrible toll upon England Disease was rife apocalyptic omens appeared in the skies and idolators detected in every shire In a remote corner of Essex two obscure gentlemen began interrogating women suspected of witchcraft triggering the most brutal witch hunt in English history Witchfinders is a spellbinding study of how Matthew Hopkins the Witchfinder General and John Stearne extended their campaign across East Anglia driven by godly zeal Exploiting the anxiety and lawlessness of the times and cheered on by ordinary folk they extracted confessions of satanic pacts resulting in scores of executions Lucid and humane Hilary Mantel Discovery of Witches (Illustrated Edition) Matthew Hopkins,2018-09-03 The Discovery of Witches In Answer to severall queries lately Delivered to the Judges of Assize for the County of Norfolk By Matthew Hopkins Witch finder Hopkins witch finding career began in March 1644 and lasted until his retirement in 1647 During that period he and his associates were responsible for more people being hanged for witchcraft than in the previous 100 years and were solely responsible for the increase in witch trials during those years He is believed to have been responsible for the deaths of 300 women between the years 1644 and 1646 It has been estimated that all of the English witch trials between the early 15th and late 18th centuries resulted in fewer than 500 executions for

witchcraft Therefore presuming the number executed as a result of investigations by Hopkins and his colleague John Stearne is at the lower end of the various estimates their efforts accounted for about 60 per cent of the total in the 14 months of their crusade Hopkins and Stearne sent to the gallows more people than all the other witch hunters in the 160 years of persecution in England

Witch Hunts in Europe and America William E. Burns,2003-10-30 From early sorcery trials of the 14th century associated primarily with French and Papal courts to the witch executions of the late 18th century this book's entries cover witch hunting in individual countries major witch trials from Chelmsford England to Salem Massachusetts and significant individuals from famous witches to the devout persecutors Entries such as the evil eye familiars and witch finders cover specific aspects of the witch hunting process while entries on writers and modern interpretations provide insight into the current thinking on early modern witch hunts From the wicked witch of children's stories to Halloween and present day Wiccan groups witches and witchcraft still fascinate observers of Western culture Witches were believed to affect climatological catastrophes put spells on their neighbors and cavort with the devil In early modern Europe and the Americas witches and witch hunting were an integral part of everyday life touching major events such as the Reformation and the Scientific Revolution as well as politics law medicine and culture

Witchfinder Ruth Warburton,2014-05-06 London 1880 and eighteen year old Luke Lexton is about to endure his initiation into the Malleus Maleficorum the secretive brotherhood devoted to hunting witches and the organisation that will help Luke take revenge on the witch who murdered his parents His final test is to pick a name at random from the Book of Witches a name he must track down and kill within a month or face death himself Luke picks out sixteen year old Rosa Greenwood a witch girl living in rapidly fading grandeur on the west side of town She's the last bargaining chip in her family's struggle to avoid bankruptcy and is about to be married off to the handsome cruel grotesquely rich Sebastian Knyvet a powerful member of

the Ealdwitan As Rosa and Luke get to know each other Luke realises it will be impossible for him to kill Rosa just as Rosa knows she will bring disgrace on her family if she does not marry Knyvet But Knyvet is hiding dark secrets including the key which will unlock the mystery of Luke s murdered parents Torn between appeasing their elders and their growing affection for each other Rosa and Luke must each make their choice between life and death Gorgeously romantic Amanda Craig *The Times* [Matthew Hopkins](#) Richard Deacon,1976 **Witch Finder** C. L. Werner,2005 In this follow up to *Witch Hunter* sinister agents of darkness plot the downfall of the civilized realms To combat this insidious threat the Old World draws upon the services of Mathias Thulman and the ruthless witch hunters to hunt down the evil within the land Original **Witches** Nigel Cawthorne,2019-11-07 When bigotry and power mania take control disaster always follows for subjugated persons even when the power is wielded by the Church Witchcraft was viewed as devil worship Between 1450 and 1750 one hundred thousand people were accused subject to the most bestial tortures and usually executed *Witches* examines the wildfire spread of witch hunting across Europe and America revealing the disturbing and brutal realities of these witch hunts and their roots in misogyny and religious persecution It includes Letters and trial testimonies from those charged with witchcraft as well as some from self proclaimed witches Biographic detail of key witch hunters such as Matthew Hopkins the so called Witchfinder General who was responsible for hundreds of executions Accounts of famous witch trials from Chelmsford to Salam Nigel Cawthorne doesn t shy away from the violent details of this persecution exploring the events as they transpired the contexts that triggered them and tracing it back to its source Please note This title contains descriptions of a violent and sexual nature and is not intended for younger readers Discretion is advised [The Discovery of Witches](#) Matthew Hopkins,1837 **John Stearne's Confirmation and Discovery of Witchcraft** Scott Eaton,2020-05-31 Between 1645 7 John Stearne led the most significant outbreak of witch hunting in England As accusations of witchcraft spread across East Anglia Stearne and Matthew Hopkins were enlisted by villagers to identify and eradicate witches After the trials finally subsided in 1648 Stearne wrote his only publication *A confirmation and discovery of witchcraft* but it had a limited readership Consequently Stearne and his work fell into obscurity until the 1800s and were greatly overshadowed by Hopkins and his text This book is the first study which analyses Stearne s publication and contextualises his ideas within early modern intellectual cultures of religion demonology gender science and print in order to better understand the witch finder s beliefs and motives The book argues that Stearne was a key player in the trials that he was not a mainstream puritan and that his witch finding availed from contemporary science It traces *A confirmation* s reception history from 1648 to modern day and argues that the lack of research focusing on Stearne has resulted in misrepresentations of the witch finder in the historiography of witchcraft This book redresses the imbalance and seeks to provide an alternative reading of the East Anglian witch hunt and of England s premier witch hunter John Stearne
