Wit Meyer Strategy Synthesis:

Strategy Synthesis Bob de Wit, Ron Meyer, 2014 Now in its fourth edition Strategy Synthesis takes a truly global perspective Retaining the unique paradox approach of the previous editions whereby a series of contrasting viewpoints are provided to invite student and professional discussion and debate this new edition takes the approach one step further to acknowledge the developmental role which China and India have had in the business world and includes strategic thinking philosophies from these countries Unlike many other books on the subject the philosophy at the heart of Bob de Wit s Strategy Synthesis text is that an understanding of the topic of strategy can only be gained by grappling with a wider diversity of insights from many prominent thinkers and the clear recognition that there is no simple answer to the question of what strategy is This new edition bridges West and East North and South with examples short cases quotes and insights from around the globe

Strategy Synthesis Bob de Wit, 2005 This is a streamlined version of de Wit and Meyer s successful text Strategy Process Content Context It contains a range of articles with text contextualising the debates around key issues allowing a wide range of views to be explored within each debate
