

## BENEFITS OF INVESTING IN AN INDEX FUND

- Index Funds are easy investments as they mimic the movements of the broad market Index like Nifty 50 which is easy to check and track.
- They are generally available at low cost as compared to Active Funds.
- The components of Index Funds are selected based on one rule and without any individual's biases.
- They do not demand time and resources to check the holding Stocks or other Fund intricacies.

Perhaps they have helped you lay a strong biblical foundation for carrying out your money management responsibilities. But as you try to apply those principles to real-life investing decisions, it's easy to feel overwhelmed by jargon and the sheer number of possibilities. Sound Mind Investing is a next-step guide that helps you put Godly principles of finance in motion. Whether you're a beginner or an experienced investor, you'll benefit from stepping across this bridge between theory and action. Each lesson is written in everyday English and filled with helpful visual aids. This book can help you chart your financial future by using the same concepts that have made Austin's newsletter America's best-selling investment newsletter written from a biblical perspective. Whether you invest a little or a lot, these biblical principles apply to you. **Record and Index** American Society of Mechanical Engineers, 1928.
