Plato Symposium Hackett Classics:

Symposium Plato, 1989 A model of the kind of text one needs for lecture courses the translation is extremely readable and made even more accessible by intelligent printing decisions on dividing the text spacing for clarification etc the notes are kept to a minimum but appear when they are really needed for comprehension and are truly informative And the introduction admirably presents both basic information and a sense of current scholarly opinion S G Nugent Princeton University

Plato on Love Plato, 2006-06-15 This collection features Plato's writings on sex and love in the preeminent translations of Stanley Lombardo Paul Woodruff and Alexander Nehamas D S Hutchinson and C D C Reeve Reeve's Introduction provides a wealth of historical information about Plato and Socrates and the sexual norms of classical Athens His introductory essay looks closely at the dialogues themselves and includes the following sections Socrates and the Art of Love Socrates and Athenian Pederastia Loving Socrates Love and the Ascent to the Beautiful The Art and Psychology of Love Explained and Writing about Love

Symposium Plato, 2020-05-22 Plato 428 347 B C is one of the founding fathers of Philosophy His work Symposium is a philosophical dialog between notable men of Greek history It is considered both a philosophical and literary classic

Women in the Socratic Tradition Carolina Araújo, 2025-08-21 Socrates represents an important turning point not only in the history of philosophy but also in the morality of gender inequality for he advanced the unprecedented thesis that the virtue of men and women is the same The arguments supporting such a thesis however are controversial different authors understand Socrates legacy differently the arguments do not necessarily account for the universality implied in the thesis and in challenging conventions Socratic literature tends to blur gender distinctions Be that as it may these sources undeniably present women as exemplars of the philosophical life This volume brings together a group of highly qualified scholars to provide a careful analysis of this evidence and a detailed assessment of the Socratic debate on gender divided into three sections Socratic Women Socratics on Women and Socratic Philosophy as a Woman It sheds light on a topic rarely explored in scholarship on Socratism women both as philosophers and as a philosophical motif

Symposium or Drinking Party Plato, 2017-02-14 This new edition of Plato's Symposium provides beginning readers and scholars alike with a solid reliable translation that is both faithful to the original text and accessible to contemporary readers In addition the volume offers a number of aids to help the reader make his or her way through this remarkable work A concise introduction sets the scene conveys the tenor of the dialogue and introduces the reader to the main characters with a gloss on their backgrounds and a comment on their roles in the dialogue It also provides a list of basic points for readers to keep in mind as they read the work A thought provoking interpretive essay offers reflections on the themes of the dialogue focusing especially on the dialogue as drama A select bibliography points to works both classic and contemporary that are especially relevant to readers of the Symposium Two appendices consist of a line drawing that depicts the spacial layout and

positioning of characters in the Symposium and a chart that shows the relation of the first six speeches to number age parentage and the function of Eros

A Dictionary of Classical Greek Quotations Marinos Yeroulanos, 2016-06-30 Only god is truly wise human wisdom is of little or no value declaimed Plato in his Apology And yet the ancient Greeks including Plato himself more than any other people of antiquity were fascinated by the pursuit of the wisdom they called philosophia That search for knowledge involved an extensive use of maxims and quotations as we can see from those expressions of Homer prefaced by the phrase as people say Classical Greek lore and sagacity have throughout history continued to provide inspiration to figures as diverse as the Church Fathers Shakespeare Nietzsche Marx and John F Kennedy Indeed Homer the Seven Sages and the Pre Socratic philosophers are still extensively quoted in all the major western languages while the admired sayings of Heraclitus for instance are known only through his quotations his actual writings having long been lost Yet for all their popularity and ubiquity until now there has been no single resource for these quotations to which interested readers might turn This unique and handsome reference book offers one of the most comprehensive selections of Greek quotations ever committed to print Organised alphabetically with the original Greek followed by an accompanying English translation it collects some 7500 entries ranging from the archaic period to late antiquity and across philosophy drama poetry history science and medicine Containing a full list of translators and of abbreviations its index of key words enables the fast and efficient sourcing of each entry This is a handbook designed for years of pleasurable and profitable browsing Many readers may find that the views expressed twenty centuries ago and now helpfully contained between one set of covers are as pertinent and provocative today as they were then

The Symposium Plato, 2003-04-29 A fascinating discussion on sex gender and human instincts as relevant today as ever In the course of a lively drinking party a group of Athenian intellectuals exchange views on eros or desire From their conversation emerges a series of subtle reflections on gender roles sex in society and the sublimation of basic human instincts The discussion culminates in a radical challenge to conventional views by Plato's mentor Socrates who advocates transcendence through spiritual love The Symposium is a deft interweaving of different viewpoints and ideas about the nature of love as a response to beauty a cosmic force a motive for social action and as a means of ethical education For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Symposium By Plato, 2019-06-15 Symposium is a philosophical text by Plato It concerns itself at one level with the genesis purpose and nature of love and is the origin of the concept of Platonic love Love is examined in a sequence of speeches by men attending a symposium or drinking party Each man must deliver an encomium a speech in praise of Love Eros The party takes place at the house of the tragedian Agathon in Athens Socrates in his speech asserts that

the highest purpose of love is to become a philosopher or literally a lover of wisdom The dialogue has been used as a source by social historians seeking to throw light on life in ancient Athens in particular upon sexual behavior and the symposium as an institution

Socrates and Alcibiades: Four Texts David Johnson,2012-03-01 Socrates and Alcibiades Four Texts gathers together translations our four most important sources for the relationship between Socrates and the most controversial man of his day the gifted and scandalous Alcibiades In addition to Alcibiades famous speech from Plato s Symposium this text includes two dialogues the Alcibiades I and Alcibiades II attributed to Plato in antiquity but unjustly neglected today and the complete fragments of the dialogue Alcibiades by Plato s contemporary Aeschines of Sphettus These works are essential reading for anyone interested in Socrates improbable love affair with Athens most desirable youth his attempt to woo Alcibiades from his ultimately disastrous worldly ambitions to the philosophical life and the reasons for Socrates failure which played a large role in his conviction by an Athenian court on charges of impiety and corrupting the youth Focus Philosophical Library translations are close to and are non interpretative of the original text with the notes and a glossary intending to provide the reader with some sense of the terms and the concepts as they were understood by Plato s immediate audience

Plato's Symposium Plato,

Plato's account of an important dialogue on the nature of love between Phaedrus Pausanias Eryximachus Aristophanes Agathon Socrates and Alcibiades Plato's Symposium Stanley Rosen, 1968 Socrates, Lucretius, Camus Fred Wilson, 2001 The present essay attempts to do something that has not been done in the recent literature concerning death namely to link reasons for attitudes towards death to reasons for different metaphysical positions on human being and the place of human being in the universe Most recent discussions of death either place the topic directly in the context of nothing more than ethical considerations continued on the next page Philosophy Brooke Noel Moore, Kenneth Bruder, 2001 One of the most widely adopted texts in the field Philosophy The Power of Ideas offers a topical introduction to philosophy within an overarching historical framework The goal of the authors is to make philosophy understandable while not oversimplifying the material showing that philosophy contains powerful ideas that affect the lives of real people **The Fiction of Enlightenment** Heidi Bostic, 2010 This book argues that women authors of the French eighteenth century claimed reason and contributed to Enlightenment It begins by framing the Enlightenment as fiction in two senses first what passes under the name of Enlightenment in much current critical discourse is a fiction or a caricatured construct second works of fiction can illuminate Enlightenment The book offers fresh readings of texts by the three most prominent women among eighteenth century writers in French Françoise de Graffigny Marie Jeanne Riccoboni and Isabelle de Charrière These authors challenged the widely held idea that women's reason was inferior to men's Literary forms novels stories plays essays and letters allowed these authors to approach the question of reason in particularly nuanced ways Faithful to the eighteenth century this project is also relevant to the twenty first Book Jacket **Phaedrus** Plato, 1995-03-15 A superb translation that captures the rhetorical brilliance of the Greek The translation is faithful in the very best sense it reflects both the meaning and the beauty of the Greek text The footnotes are always helpful never obtrusive A one page outline is useful since there are no editorial additions to mark major divisions in the dialogue An appendix containing fragments of early Greek love poetry helps the reader appreciate the rich and perhaps elusive meaning of eros The entire Introduction is crisply written and the authors erudition shines throughout without a trace of pedantry this is an excellent book that deservedly should find wide circulation for many years to come Tim Mahoney University of Texas at Arlington Encyclopedia of Human Emotions David Levinson, James J. Ponzetti, Peter F. Jorgensen, 1999 This work brings together information from across the disciplines to look at what is known about the nature cases expression and societal role of human emotions throughout history and across cultures

Plato Symposium Hackett Classics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Plato Symposium Hackett Classics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Plato Symposium Hackett Classics has opened up a world of possibilities. Downloading Plato Symposium Hackett Classics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Plato Symposium Hackett Classics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Plato Symposium Hackett Classics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Plato Symposium Hackett Classics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Plato Symposium Hackett Classics, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Plato Symposium Hackett Classics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
