Subject - Cover Letter for Tourist Visa Application to Travel France, Italy and Greece

Dear Sir,

I am Tharika Srisawatwongchai, a Thai Citizen, bearing passport No. CD5576082, living and working in Bangkok. The purpose of writing this cover letter is to present our profile and intent to travel to three beautiful European Countries - France, Italy, and Greece along with my husband Mr. <add name> for 15 days. We have been waiting for a long time to have this holiday to spend some leisure time together. I got married to him 14 months back but due to work commitments, we could not get a chance to honeymoon and relish our relationship. We both are working hard and thus we hardly get time to spend with each other due to our tight schedule thus we decided to have this holiday in Europe which has been on our bucket list. We have traveled to Japan before because of my business and small trips.

My Profile

I have been working in Thailand as an Online Sales Representative for "FWX Finance Ltd." since 13th May 2021 till date. I have worked virtually with the company while I was in Japan for approximately 2 months. My job profile here is to provide online sales support and communicate with clients using phone calls, chatting, and replying to their emails. I am also responsible for giving advice, information, and consultation to clients and managing Rental and Lease agreements for commercial and residential properties. Apart from my full-time job, I have also invested in a business with my friends in Thailand which is an online store "Let's Love Japan" where we provide imported goods from Japan on pre-order. We have a Facebook Page and Instagram with the same name on which we generate good sales. I take care of the online sales, ordering goods from Japan, and managing the shipping of the products.

My Husband's Profile

My husband owns an apartment building called <add address>. I also help him in managing the apartment, taking care of the tenants and its maintenance. The permanent address on my Thai ID Card and house registration is the same as that of my husband's apartment. He also manages his family-owned Resort. The resort has a Thai Traditional Style Resort with contemporary Thai-style Deluxe Rooms and Thai Cuisine and my husband takes care of reservations and guest assistance services. They are also into wedding planning and event organization for those who are looking for an authentic traditional Thai Wedding Experience. I have been a part of a few weddings during my free time and it's very exciting to be there working behind the scenes to create unforgettable experiences. My husband has also registered a partnership company <add name of the company> in Tokyo, Japan with me and a senior relative, where we run a Thai Restaurant in Tokyo. The restaurant is mainly managed by our relative, my husband takes care of branding and business and I did research and development of restaurant menus, graphics designs, and online marketing. My husband has multiple sources of income but he majorly relies on Thai Wedding Events which makes him earn a profit of 50,000-75,000 THB per wedding his
