Psychology in Modules with Updates on DSM-5 David G. Myers, 2014-02-12 [Psychology, Eighth Edition, in Modules Study Guide](#) Richard Straub, 2006-08-03 Longtime Myers collaborator Richard Straub's study guide is customized to follow the modular format and contents of the text *Psychology In Modules (Spiral)* David G. Myers, 2009-09-28 Why Myers David Myers has become the world's best selling introductory psychology author by serving the needs of instructors and students so well Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements Most of all each Myers text demonstrates why this author's style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact Why Modules This modules based version of Myers best selling full length text *Psychology* breaking down that book's 16 chapters into 59 short modules is yet another example of the author's ability to understand what works in the classroom It comes from Myers experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with instructors who appreciate the flexibility offered by the modular format Modular organization presents material in smaller segments Students can easily read any module in a single sitting Self standing modules Instructors can assign modules in their own preferred order The modules make no assumptions about what students have previously read Illustrations and key terms are repeated as needed This modular organization of short stand alone text units enhances teacher flexibility Instead of assigning the entire Sensation and Perception chapter instructors can assign the module on vision the module on hearing and or the module on the other senses in whatever order they choose Watch our new videos from David Myers here including our animation on THE TESTING EFFECT narrated by David Myers [Psychology In Modules](#) David G. Myers, 2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility The smaller chunks allow students to better grasp and explore psychological concepts The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations **Revise for Edexcel Modular Science** Graham Booth, 2002 An exact match to the structure and content of the new Edexcel Modular specification Prepare your students for both the end of module tests and the terminal exams Provide lots of exam style questions to make sure students get plenty of practice Offer hints and tips to help students prepare for their terminal exams [CUET PG - Practice Papers - Atmospheric Science](#) Mocktime Publication, CUET PG Practice Papers Atmospheric Science **Understanding Computer Science for Advanced Level** Ray Bradley, 2001 Bradley provides concise coverage of all advanced level computer science specification The text is organised in short bite sized chapters to facilitate rapid learning making it an ideal revision aid **Excel HSC & Preliminary Senior Science** Jennifer Hill, 2011 This comprehensive study guide covers the complete HSC Preliminary Senior Science course and has been specifically created to maximise exam success This guide has been designed to meet all study needs providing up to date information in an easy to use format The

sample HSC Exam has been updated for the new format Excel HSC Preliminary Senior Science contains an introductory section including how to use the book and an explanation of the new course helpful study and exam techniques comprehensive coverage of the entire Preliminary and HSC courses hundreds of diagrams to aid understanding icons and boxes to highlight key concepts and assessment skills including laboratory and field work checklists of key terms end of chapter revision questions with fully explained answers a trial HSC style exam with answers and explanations a glossary of key terms useful websites highlighted throughout
