Proceedings at a Meeting of the Lancashire County Council Lancashire (England). County Council, 1919      **The Criminalisation and Exploitation of Children in Care** Julie Shaw, Sarah Greenhow, 2020-12-27 The Criminalisation and Exploitation of Children in Care explores the results of a recent qualitative study which focused on multi agency responses to children and young people in residential and foster care who were at risk of criminalisation and or exploitation and abuse Recent high profile reports have highlighted an urgent need for effective multi agency work to tackle the issues of criminalisation and exploitation of children and young people in care However progress to date has been slow and it is clear that there is still some way to go before effective multi agency working becomes widespread In response this book draws upon the experiences and perspectives of practitioners from a sample of co located Multi Agency Safeguarding Hubs as well as the latest research theory and policy developments in the field In doing so it explores both the benefits and challenges of multi agency working and concludes with recommendations for future policy and practice This timely study will be of great interest to students and scholars of criminology criminal justice policing studies social work health and childhood studies It will also be a valuable tool for practitioners and policymakers in the criminal youth justice and social service arenas

*Education, Law and Diversity* Neville Harris, 2020-01-09 This new edition of Education Law and Diversity provides extensive updated analysis from a legal perspective of how the education system responds to social diversity and how the relevant social and cultural rights of individuals and groups are affected It spans wide ranging areas of school provision including types of school including faith schools the school curriculum choice of school out of school settings and duties towards children with special needs and disabilities It gives extensive coverage to children s rights in the context of education and includes considerable new material on issues including relationships and sex education exclusion from school home education equal access counter extremism and academisation The new edition also retains and updates areas of debate in the book such as those concerned with multiculturalism and the position of religion in schools It continues to focus on England but also makes reference to other jurisdictions within the UK and internationally It is essential reading for anyone interested in the legal and related policy issues surrounding children s education today      Blackstone's Guide to the Human Rights Act 1998 John Wadham, JOHN; MOUNTFIELD KC WADHAM (HELEN; DESAI, RAJ; HANNE.), Wadham et al, 2024 Blackstone s Guide to the Human Rights Act 1998 provides clear concise coverage of the operation and application of the Human Rights Act 1998 The Guide considers the case law of the European Court of Human Rights and the impact of Convention rights in landmark domestic judgments      **Ecological Integrity, Law and Governance** Laura Westra, Klaus Bosselmann, Janice Gray, Kathryn Gwiazdon, 2018-04-27 Ecological integrity is concerned with protecting the planet in a holistic way while respecting ethics and human rights Over recent years it has been introduced directly and indirectly in several legal regimes culminating in international law with the 2016 expanded remit of the International Criminal Court

which now includes environmental disasters This book celebrates the 25th anniversary of the Global Ecological Integrity Group GEIG which includes more than 250 scholars and independent researchers worldwide from diverse disciplines including ecology biology philosophy epidemiology public health ecological economics and international law It reviews the role of ecological integrity across a number of fields through inter and trans disciplinary engagement on matters affecting and governing the sustainability of life for both present and future generations These include ethics environmental disasters crimes against humanity and environmental health and how such issues can be subject to sound governance and be incorporated into international law The book also looks forward to new applications of the concept of ecological integrity such as crimes that result in the exploitation of natural resources and the illegal dispossession of land Data Profiling and Insurance Law Brendan McGurk KC,2019-03-21 The winner of the 2020 British Insurance Law Association Book Prize this timely expertly written book looks at the legal impact that the use of Big Data will have on the provision and substantive law of insurance Insurance companies are set to become some of the biggest consumers of big data which will enable them to profile prospective individual insureds at an increasingly granular level More particularly the book explores how i insurers gain access to information relevant to assessing risk and or the pricing of premiums ii the impact which that increased information will have on substantive insurance law and in particular duties of good faith disclosure and fair presentation of risk and iii the impact that insurers new knowledge may have on individual and group access to insurance This raises several consequential legal questions i To what extent is the use of big data analytics to profile risk compatible at least in the EU with the General Data Protection Regulation ii Does insurers ability to parse vast quantities of individual data about insureds invert the information asymmetry that has historically existed between insured and insurer such as to breathe life into insurers duty of good faith disclosure And iii by what means might legal challenges be brought against insurers both in relation to the use of big data and the consequences it may have on access to cover Written by a leading expert in the field this book will both stimulate further debate and operate as a reference text for academics and practitioners who are faced with emerging legal problems arising from the increasing opportunities that big data offers to the insurance industry

**Sustainable Food Procurement** Mark Stein,Maurizio Mariani,Roberto Caranta,Yiannis Polychronakis,2024-02-23 The book examines sustainable food procurement policy and practice in the European Union and beyond exploring the extent to which sustainability objectives have been achieved and evaluating the new developments taking place at both EU and national levels While there is a growing recognition that public authorities can use public procurement as a policy tool to pursue multiple environmental health and socio economic objectives contracting authorities still face many challenges This volume investigates the scope for pursuing sustainable objectives in public procurement of food and catering services examining different regulatory contexts and organisational models to answer the overall question of how to integrate sustainability concerns into the various phases of public food procurement processes Contributions in the book examine the

policy and legal procurement framework and practices for sustainable public catering in three EU Member States Italy France and Spain There is a comparative survey of the Baltic Region including Denmark Estonia Finland Poland and Russia and moving beyond the EU there is examination of the UK and Brazil as well as a cross country comparison of the UK with Denmark and Sweden Drawing on the expertise of an interdisciplinary and intersectoral team of contributors allows the book to benefit from the insights of different disciplines including business sciences anthropology and law Tapping into the global discussion on public food procurement as a means to achieve multiple social and environmental goals this work will stimulate readers looking for new creative ways to create value through public food purchasing This book will be of great interest to students researchers policymakers and public and private sector representatives interested in public procurement food policy and law sustainable food sourcing and supply chain management

The Clues in the Fjord Satu Rämö,2024-10-10  
THE CORRECT EBOOK IS NOW AVAILABLE FOR PURCHASE Satu R m s Hildur series is a wildly successful publishing phenomenon that has put the genre of Nordic blue on Europe s literary map The Guardian Atmospheric and startlingly original Sunday Times Hildur R narsdottir is the only police detective working on the isolated west coast of Iceland She is desperate to forget her traumatic past by burying herself in her cases alongside her new trainee Jakob Johanson But Jakob s life has its own complications and it soon becomes clear that neither can run from their pasts for long When a local man is found with his throat slit underneath an avalanche that has buried much of the evidence Hildur and Jakob must set their own problems aside and unravel the dark secrets to expose a killer Translated by Kristian London Praise for Satu R m Hildur R narsd ttir a police detective who surfs the icy waters of Iceland barrels into the genre like a tsunami This book must be read in one sitting Max Seeck NYT and Der Spiegel bestselling author R m plans to continue Hildur s story and if she does it as well as in this her debut novel she may become a significant new name in Nordic crime fiction Helsingin Sanomat

**The Surveyor and Municipal and County Engineer** ,1903 **Something Wicked** Carol Ann Lee,2024-10-10 On 20 August 1612 ten people from Pendle were executed before a vast crowd at Lancaster s Gallows Hill The condemned and their associates had endured six months of accusations imprisonment and torture their treatment was such that one of the group died in Lancaster Castle s dungeons while awaiting trial Today a thriving tourism industry exists in and around Pendle the former home of the so called witches yet virtually everything we know about the case originates from a single source Thomas Potts Wonderful Discoverie of Witches hurriedly published in 1613 and distinctly skewed in favour of the prosecution Until now Sunday Times bestselling author Carol Ann Lee brings an entirely fresh perspective to the story by approaching it as true crime Having worked in the genre for more than a decade her research leads to revelatory discoveries transforming our knowledge of those shadowy figures behind ill famed names and the terrible events that befell them After four centuries of superstition and surmise the two central warring families each headed by a fiercely independent widow working as cunning women emerge fully formed as the book uncovers the reality of their lives and their alleged crimes before exploring the trial

and executions Along the way we uncover the truth behind some of the story s most enduring mysteries the legend of Malkin Tower and the final resting place of the Pendle witches This is a ground breaking book that will take the reader on a spellbinding journey into the dark heart of England s largest and most notorious witch trial The Surveyor & Municipal & County Engineer ,1903 Surveyor and Municipal and County Engineer ,1903 Construction Statistics Annual ,2009 Parliamentary Debates (Hansard).
