Serpico:

Serpico Peter Maas, 1973 The 1960s was a time of social and generational upheaval felt with particular intensity in the melting pot of New York City A culture of corruption pervaded the New York Police Department where payoffs protection and shakedowns of gambling rackets and drug dealers were common practice The so called blue code of silence protected the minority of crooked cops from the sanction of the majority Into this maelstrom came a working class Brooklyn born Italian cop with long hair a beard and a taste for opera and ballet Frank Serpico was a man who couldn't be silenced or bought and he refused to go along with the system He had sworn an oath to uphold the law even if the perpetrators happened to be other cops For this unwavering commitment to justice Serpico nearly paid with his life **The American Police Novel** Leroy Lad Panek, 2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor The Prepper Next Door Charlie Palmer, 2012 A book for practical preppers those planning for emergencies or disasters Discusses food storage water purification and collection sanitation first aid bug out bags bug out vehicles home and self defense firearms and shooting providing lights and utilities and aspects of home construction AUTHOR BIO Charlie Palmer became a prepper back in the early 1980s when he first read The Survivor newsletter Today he recommends people make modest preparations for natural disasters and other emergencies His interests include do it yourself repairs shooting welding machining and outdoor survival *SPIN*, 1986-08 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence

DiMare,2011-06-17 This provocative three volume encyclopedia is a valuable resource for readers seeking an understanding of how movies have both reflected and helped engender America's political economic and social history *Movies in American History An Encyclopedia* is a reference text focused on the relationship between American society and movies and filmmaking in the United States from the late 19th century through the present Beyond discussing many important American films ranging from *Birth of a Nation* to *Star Wars* to the *Harry Potter* film series the essays included in the volumes explore sensitive issues in cinema related to race class and gender authored by international scholars who provide unique perspectives on American cinema and history Written by a diverse group of distinguished scholars with backgrounds in history film studies culture studies science religion and politics this reference guide will appeal to readers

new to cinema studies as well as film experts Each encyclopedic entry provides data about the film an explanation of the film s cultural significance and influence information about significant individuals involved with that work and resources for further study

Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board,1981

Thinking Film Richard Kearney,M. E. Littlejohn,2023-06-29 Hailed as one of America s original art forms film has the distinctive character of crossing high and low art But film has done more than this According to American philosopher Stanley Cavell film was also a place where America in the 1930s and 1940s did its thinking a tradition that was taken up and enriched throughout world cinema Can film indeed think That is can film do the work of philosophy Following Cavell s lead to think along the tear of the analytic continental traditions this book draws from both sides of the philosophical divide to reflect on this question Spanning generations and disciplines pondering everything from art house classics to mainstream blockbusters *Thinking Film Philosophy at the Movies* aims to fling open the doors to this conversation on all sides Inquiring into both philosophy s word on film and film s word to philosophy the interdisciplinary dialogue of this book traverses the conceptual and the particular as it considers how film catalyzes our thinking and sets us talking After viewing the world through film we find our world and ourselves transformed by deeper understanding and new possibilities This book aims to provide a novel and engaging way in to thinking with and about this enduringly popular art form
