Indonesian Folktales Murti Bunanta, 2003-09-30 The world's largest archipelago Indonesia is home to hundreds of ethnic groups with diverse cultures and languages. Focusing on the rich heritage of the country, this latest addition to the highly acclaimed World Folklore Series presents 29 stories from across Indonesia, most of which have never been published in the English language. Build your multicultural collection or expand your repertoire with tales that provide a moving and colorful image of the diversity and richness of the people and lands of Indonesia. Six thematic groups are presented: Jealous and Envious Brothers and Sisters, Stories of Independent Princesses, Stories of Ungrateful Children, Stories about Rice, Stories of Place Legends, and Stories of How Things Come to Be. All Levels. [Promoting Great Reads to Improve Teen Reading](#) Lucy Schall, 2015-02-12 Support current educational initiatives with a ready-to-use tool that will help you with selection, motivation, and skill building relative to titles published within the last five years. New demands by Common Core and other national and state standards mean teachers and librarians need support in pairing high-interest content with skill building that speaks to those standards. This hands-on research-based resource will help. Covering 100 titles, it guides you to topics, themes, values, and activities that meet national and state standards. The book's organization by genres, topics, and themes will enable librarians to serve customers with specific requests and help teachers build thematic units. Focusing on recent young adult fiction and nonfiction, 2010-2014, the guide offers a succinct plot summary, links to popular themes and genres, indication of reading levels, and an engaging booktalk for each title. It also includes guidelines for further promoting each book and extending knowledge through discussion. The author, a former middle and high school teacher, demonstrates how you can foster close reading through paraphrasing, comparison, and response and explains how to strengthen critical thinking among teens. Lists of related titles and notes on gender appeal can be used for readers advisory. [The Patrick O'Brian Muster Book](#) Anthony Gary Brown, 2015-01-27 Now in its second edition, this expanded work catalogs every person, animal, ship, and cannon mentioned by name in the 21 books of Patrick O'Brian's series on the maritime adventures of Jack Aubrey and Stephen Maturin. The novels, renowned for their far-ranging web of wit and allusion, teem with thousands of characters and ships, both imaginary and historical. From *Master and Commander* to *The Unfinished Voyage*, this book distinguishes the fictional from the factual, making a useful series companion for the casual reader and the most ardent fans. Each of the more than 5,000 alphabetized entries provides a reference to the novels and chapters in which the topic appears. Additionally, biographical notes on the historical figures are included, with sources provided in an annotated bibliography. **The Shipwrecked mariner**, 1879. *The American Annual Cyclopaedia and Register of Important Events of the Year ...*, 1897.
