Kashmir as a Borderland Antía Mato Bouzas,2025-10-01 Kashmir as a Borderland The Politics of Space and Belonging across the Line of Control examines the Kashmir dispute from both sides of the Line of Control LoC and within the theoretical frame of border studies It draws on the experiences of those living in these territories such as divided families traders cultural and social activists Kashmir is a borderland that is a context for spatial transformations where the resulting interactions can be read as a process of becoming rather than of being The analysis of this borderland shows how the conflict is manifested in territory in specific locations with a geopolitical meaning evidencing the discrepancy between representation and the living The author puts forward the concept of belonging as a useful category for investigating more inclusive political spaces **State and Nation-Building in Pakistan** Roger D. Long,Gurharpal

Singh, Yunas Samad, Ian Talbot, 2015-10-08 Religion violence and ethnicity are all intertwined in the history of Pakistan The entrenchment of landed interests operationalized through violence ethnic identity and power through successive regimes has created a system of authoritarian clientalism This book offers comparative historicist and multidisciplinary views on the role of identity politics in the development of Pakistan Bringing together perspectives on the dynamics of state building the book provides insights into contemporary processes of national contestation which are crucially affected by their treatment in the world media and by the reactions they elicit within an increasingly globalised polity It investigates the resilience of landed elites to political and social change and in the years after partition looks at the impact on land holdings of population transfer It goes on to discuss religious identities and their role in both the construction of national identity and in the development of sectarianism The book highlights how ethnicity and identity politics are an enduring marker in Pakistani politics and why they are increasingly powerful and influential An insightful collection on a range of perspectives on the dynamics of identity politics and the nation state this book on Pakistan will be a useful contribution to South Asian Politics South Asian History and Islamic Studies
