Herron,2016-07-31 Second Edition **THANK YOU** I have been suffering from IBS and SIBO for years I came across your gut health protocol and followed it to a T and I truly have not felt this good in years You have given me my life back I never realized how sick I was and I forgot how a healthy person should feel I thought I had to live my life feeling the way I did Not the case at all To everyone out there read the gut protocol follow what is suggested its so worth it Jackie A I ve been doing John s protocol for the last two months and it has helped immensely with my SIBO My bloating and stomach distention are pretty much gone ditto stools pretty much normal and motility much better I had a glucose breath test unfortunately only for hydrogen a couple of weeks ago and it was negative I did the protocol full swing all of the supplements and extra antimicrobials as well as lifestyle changes I m not necessarily 100% better but it s the first thing I ve done beside a ridiculously restrictive diet that has actually helped me heal In fact previously my diet was slowly becoming more and more restricted Give it a try it s good stuff And hey John Herron thank you Michelle M I would like to share that I have had such great success My gut is probably about 90% better I realize that it still probably has issues and this is a journey of healing and keeping it well but I have had no bloating belching constipation or diarrhea and limited moments of soreness I feel that I am now digesting my food and the shortness of breath heart palpitations and discomfort in my throat are gone too Berea F I just looked at your latest protocol and I have to say it is totally amazing It seems more thorough than most of the 5 books I have read Were are you something famous for your job
