Sexual Role Playing Scripts for Couples Emily Rizor, 2010-09 Haven't we all wanted to be an actor at some point Haven't we all wanted to escape or getaway from reality Wouldn't it be great to live out our most secret sexual fantasies with the person we love the most Wouldn't you want to make your sex life more exciting Well these fantasy scripts can make it all happen Why would anyone ever have to seek excitement outside their existing relationship if all of their fantasies were met at home This book is for couples who want to add excitement to their relationship Acting out fantasies can be extremely exciting and erotic Both men and women have sexual fantasies but sometimes feel uncomfortable or embarrassed in expressing these fantasies or feel embarrassed acting them out These scripts allow each partner to become a different character and loose your inhibitions This gives each partner the freedom to explore their fantasies The couple must have complete and honest communication before any role playing is attempted Both parties must be completely comfortable with their roles and boundaries must be set in advance That way both parties know what is expected and acceptable and can enjoy the experience I hope you enjoy experimenting with these scripts Feel free to add or change character names places or even add lib in the character if it is acceptable to your partner It is important to follow the costume makeup location recommendations to make the event and characters as real as possible We hope that by full filling each other's fantasies there will never be a need to look elsewhere for satisfaction
