Examination JAMA Care at the Close of Life is based on a widely successful series of articles appearing over the course of the
last ten years in JAMA the world s most widely read medical journal The series is directed by Stephen McPhee a leading
authoriity of end of life care and the chief editor of our market leading Current Medical Diagnosis and Treatment text The
articles in the series cover fundamental topics and challenges in caring for patients who have been given a terminal diagnosis
Featuring a strong focus on evidence based medicine and organized by clinical cases the articles are widely read by faculty
medical students and clinicians who frankly have not been given a solid educational experience on this very important
medical issue The book will be physically modeled after The Rational Clinical Examination in a full color format that
highlights the clinical cases It will be well suited for use as an required or recommended textbook for medical PA and NO
students and as a clinical reference text for trainees and practicing physicians and nurses Key Selling Features Based on
highy regarded content from the world s most widely read medical journal All content is completely updated and extensive
new never before published content has been added Case based and evidence based so its a perfect fit for the way medical
students and residents like to learn Focuses on practical real world issues for primary care physicians and avoids esoteric
issues of interest only to specialists in palliative care Full color format modeled after the highly regarded Rational Clinical
Examination Includes multimedia materials available on line Power Point slides for teaching and video interviews with
patients in end of life care so that faculty and students get supplemental resources for learning the art and science of care at
the end of life Evidence based guidance from the world s leading medical journal on a critical topic that has been neglected
in medical education and training until recently Author Profile JAMA is the world s most widely read medical journal and has
a reputation for excellence in evidence based medicine Stephen McPhee has high visibility on account of his editorship of
CMDT and for his driving role in enhancing end of life care in medical education and training programs He is Professor of
Medicine UCSF School of Medicine San Francisco CA The McGraw-Hill 36-hour Marketing Course Jeffrey L. Seglin,1990
