DIRECTIONS

Answer the following questions and be ready to discuss your answers with the class.

Now, take some time and think through the following journal questions. Remember, it can be hard to imagine the stress of an emergency when it's not actually happening. But emergencies are so much harder to face when you're not prepared financially.

11. What's an emergency you've experienced or seen someone experience?

12. How did that emergency affect other areas of life?

13. How would having a \$500 emergency fund relieve the stress caused by the emergency?
