

Chevrolet® Connection Center

In General Motors' continued effort to provide an excellent customer experience that will differentiate us from our competition, we are pleased to announce the newest platform for customer dealership engagement. **Connection Center** is the key differentiator that will drive loyalty and retention.

Connection Center is similar to the "Apple Genius Bar," which many experts consider to be the key driver to Apple's retail success. After performing a research study, 84% of our customers identified that there is a need for technology support (i.e., MyLink, IntelliLink, OnStar, mobile apps and more) and 67% stated that they are very likely or extremely likely to use this service.

CONNECTION CENTERS offer us a unique opportunity to engage with our customers everyday. Our technology has grown over the past few years and will continue to grow as it is already a major reason for purchase. Technology has enabled us to connect with our customers throughout their entire purchasing lifecycle and makes them feel more aligned with our brand than ever before in the history of our organization. We look forward to contributing this partnership and becoming a recognized global leader for customer experience.

What is a Connection Center?

A dedicated area where customers can receive tech support.
Examples: Bluetooth integration, OnStar, apps, software ...

Why is this beneficial to my customer?

It enhances every stage of delivery, but most notably that!

How does this improve the delivery experience?

The addition of a Connection Center can improve your CSI, NPS, Retention, Loyalty, Dealer Satisfaction, etc. ...

What tools and resources do I need?

You'll need a tablet device, wireless internet access, and a Return-to-Rentals TV with Google TV and Apple TV applications.

Where can I find approved options for CSI fulfillment?

Our product managers continue to find what you need to provide excellent Connection Center customer experience that includes your existing facility usage.

How can I help me get started up?

Your local Chevrolet Customer Specialist is currently working with you to implement Connection Centers. If you want to purchase furniture, please contact your CSI and Store Manager.

Do I have any options?

Connection Center comes in Facility Image program equipment.
