by finance experts and used extensively by institutional investors index funds and exchange traded funds ETFs provide  
unmanaged diversified exposure to a variety of asset classes Index Investing For Dummies shows active investors how to add  
index investments to their portfolios and make the most of their money while protecting their assets It features plain English  
information on the different types of index funds and their advantage over other funds getting started in index investing  
using index funds for asset allocation understanding returns and risk diversifying among fund holdings and applying winning  
strategies for maximum profit      The Only Guide to a Winning Investment Strategy You'll Ever Need Larry E. Swedroe, 1998  
The first book to show individual investors how to move from active to passive index funds and play a winner s  
game Throughout the last fifteen years of the bull market individual investors were able to participate and amass financial  
holdings by way of mutual funds But the constant buying and selling to beat the market and grow their fund s wealth also  
entailed costs and capital gains And who paid for it The investor Over the past 20 years smart investors began switching to  
index mutual funds to keep more of their money Index funds buy and hold all of the stocks in an index dramatically reducing  
trading costs and taxes And now with Larry Swedroe s expert advice the small investor can take advantage of this investment  
strategy and win big In The Only Guide to a Winning Investment Strategy You ll Ever Need Larry Swedroe explains How  
index mutual funds out earn older investment strategies How to pick the right balanced passive portfolio that will reward  
investors with the highest expected return for the amount of risk the investor is willing to accept How to play the winner s  
game with this big and rapidly growing investor trend Based on over forty years of research by the world s leading financial  
economists the advice Larry Swedroe offers in this new and valuable book shows that those willing to move beyond  
conventional wisdom will open themselves to a method of great financial growth The Only Guide to a W      *Fundology* John  
Chatfeild-Roberts, 2011 Owning an investment fund is the easiest and most convenient way for investors to put their money to  
work in the world s financial markets Yet only a handful of people really seem to understand how to make the most of the  
opportunity that funds offer Too many pick the wrong fund in the wrong market at the wrong time a sure fire recipe for  
disappointment In this important new book an award winning manager at one of the UK s best fund management firms  
explains in simple language what it takes to buy and sell investment funds successfully and how to avoid the common
