A Dictionary of Color Combinations

Sanzo Wada

A dictionary of color combinations for visual communication design created by the Japanese color theorist Sanzo Wada.

The book provides systematic combinations for visual design and professional use. It features a unique color theory for the first time in creating color schemes in both a manual and an electronic format to ensure people design more free.

The book contains 100 color combinations (combinations of 2-4 colors). It is particularly useful for designers who do not rely on computers to create color.
