Writing Business Bids and Proposals For Dummies Neil Cobb, Charlie Divine, 2016-08-08. Acquire the necessary skills to win business through proposals, bids, tenders, and presentations. This hands-on guide is your partner for success. You have in your hands the collected knowledge and skills of the professional proposal writer. Proposal writing is a profession, a growing and increasingly important one, and an essential part of a broader group of business development professionals who plan and execute strategies for businesses who want to obtain new customers. Proposal writers have a professional organization, the Association of Proposal Management Professionals (APMP), and their best practices are the foundation for this book. Proposal writing is a skill you can learn, practice, and master. You can even go through a professional certification process to prove your mastery. Writing Business Bids Proposals For Dummies is your no-nonsense guide to finding out what professional proposal writers know and for applying it to your own business. If you're a small to medium size business owner, a first-time proposal writer in a medium size company, or a sales representative, you know that a written proposal, printed or electronic, is still a common, personal, and effective way to win business. Written in plain English, Writing Business Bids Proposals For Dummies will help you to know the difference between reactive proposals, the RFP or request for proposal, and proactive proposals. Focus on the customer by going beyond their requirements to address their true needs. Know your competition through research and analysis. Write persuasively to develop a winning business proposal. Plan and use a repeatable proposal process. Incorporate a lessons-learned aspect to your proposal process. Use tools and templates to accelerate your proposals. Motivate and lead your proposal team to ensure they're on the same page. Use graphics to enhance your proposals. Learn ways to automate your proposal development process. And a whole lot more. Additionally, you'll gain access to ten templates for building a proposal, find out ten common misconceptions about bids and proposals, and add a compiled list of online resources to your toolset.

Winning Proposals Hans Tammemagi, 1995. It all begins or ends with the proposal. This book teaches readers how to prepare a proposal that will impress, persuade, and get results. This is the essential guide for all those who seek to win support from salespeople to businesspeople, from fundraisers to researchers pursuing grant money. Including the basic components of a winning proposal from introduction to budget, as demonstrated in a sample proposal, this guide also covers: Accepting a request for a proposal; Bidding for a contract; Adding unique selling points; Effective packaging; Ins and outs of negotiating; Using the powers of persuasion; Getting your ideas
