## **A Of Style For Contract Drafting:**

**A Manual of Style for Contract Drafting** Kenneth A. Adams, 2004 The focus of this manual is not what provisions to include in a given contract but instead how to express those provisions in prose that is free of the problems that often afflict contracts

**Contract Drafting** Lenné Eidson Espenschied, 2010 Contract Drafting Powerful Prose in Transactional Practice presents an overview of the stages in the contract process and offers a comprehensive introduction to the substantive areas addressed in transactional documents In fourteen lessons readers will learn how to work from prior documents to produce effective and complete legal documents that protect the client's interests

Uncommon Law of Learned Writing 2.0 Chinua Asuzu, 2023-09-10 As lawyers we must not in hot pursuit of common law outrun common sense The dread of that eventuality prompted this book Uncommon Law of Learned Writing 2.0 promotes common sense in legal language Plain language which is commonsensical broadens access to legal documents thus democratizing the law If democracy is government of the people by the people and for the people law is the language in which government interacts with the people it's the language of democracy The people whose government speaks through law must understand what is said No democratic society should brook legalese a dense verbose dialect known only to lawyers What then should society do to redress the lawyer-induced obscurity A Shakespearean character had an alarming proposal The first thing we do let's kill all the lawyers Apparently that proposal was not enthusiastically endorsed which explains why we're still here A milder remedy enrolling lawyers in language classes has been mooted which explains why this book is in your hands Uncommon Law of Learned Writing 2.0 motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries This book is as sweeping and authoritative a treatment of its subject as you can find anywhere

**Library Licensing** Corey Halaychik, Blake Reagan, 2019-11-01 This clear and concise manual will help librarians understand licenses so that they can become better reviewers drafters and negotiators Libraries purchase or subscribe to countless resources that are governed by licenses both digital products and physical objects like rare books or equipment Many librarians however lack the legal expertise to comprehend and assess the clauses found in licenses Authors Corey Halaychik and Blake Reagan have reviewed and edited thousands of contracts and use the lessons they've learned to help librarians sort through the often archaic and confusing language found in licenses Library Licensing is a key reference for anyone responsible for reviewing editing negotiating and agreeing to licenses that govern library resources It contains essential information that will allow the reader to not only understand the language used in contracts but also to replace confusing and redundant language with clear and concise alternatives Organized with ease of use in mind chapters are written for quick and easy consultation and application
