Defaults on subprime mortgages underlying some of the instruments shattered confidence and financial markets seized up. The framework of regulation and supervision in Britain failed to avoid or mitigate the crisis. The tripartite authorities in the United Kingdom: Bank of England, Financial Services Authority (FSA) and HM Treasury failed to maintain financial stability and were found wanting in part because the roles of the three parties were not well enough defined and it was not clear who was in charge. Too little attention was paid to macro prudential supervision oversight of the aggregate impact on financial stability of individual banks' actions.
