## **A Curvy Kind Of Love Deserves To Be Loved:**

*A Curvy Kind of Love* Alexia Deguara, 2015-06-18 You're too chubby. A phrase which I've been told too many times. You have a beautiful face but your body can't exactly be defined sexy. Yes, it was true so what? I wasn't exactly a top model. I may have a few pounds extra. OK, many pounds extra, but I'm a woman like many others. A woman who just wants to be loved for who she is, who struggles most of the time to find acceptance but who never gives up. Gaby Reynolds is 22 years old, she's at the fourth year of university. She collects delusions and her heart has been broken so many times that it's practically impossible for any one to put it together again. She lacks confidence and she hates herself so much that she keeps no mirrors inside her apartment. She's clever but too stupid to realize that she's beautiful but she can't see it. She gives up and accepts that her dreams will never come true and that she will never experience the magic of love until he appears. Jess Keagan, the sexiest man in University, the man who will change her existence.

**The Art of Dressing Curves** Susan Moses, 2016-05-03 Susan Moses, the go-to celebrity stylist for curvy women both on and off the red carpet, presents the first inspirational confidence-building prescriptive style guide for plus-size women who want to dress fashionably and look their beautiful best. Nearly two-thirds of American women are plus size, and they care just as much about fashion and beauty as their thinner counterparts. They're tired of being ignored by the industry and shopping for styles wedged into the far reaches of department stores. Now Susan Moses, a plus-size woman with a dynamic personality and an in-demand stylist whose clientele includes Hollywood and music industry celebrities, addresses this audience's needs with this essential handbook to help them look fabulous. *The Art of Dressing Curves* gives plus-size women the confidence and know-how to dress beautifully for their particular body shape. Gorgeously designed, filled with high-fashion photography, and written in Susan's down-to-earth, accessible, and enthusiastic voice, *The Art of Dressing Curves* tells the story of her journey to self-acceptance and outlines her formula for seamless dressing that has helped some of the most iconic curvy women in music, film, and fashion look dazzling in the spotlight. From foundation garments to wardrobe essentials to hair and makeup, Susan dispenses advice on every aspect of dressing well for one's shape, size, and personality, insight supplemented by a wealth of elegant editorial photographs, anecdotes, tips, and sidebars, as well as lists of specialty retailers, designers, and websites that cater to plus size.
