A History of English Language Teaching in the People's Republic of China Lijun Shen, 1993

Two Centuries of English Language Teaching and Learning in Spain Alberto Lombardero Caparrós, 2025-10-01 This book provides an exhaustive historical account of how the English language was taught and learnt in Spain over two centuries Since its origins back in 1769 with the publication of San Joaquín de Pedro s Gramática inglesa until 1970 a key year in European and World affairs A period of time ample enough to accurately gauge the impact of this social phenomenon against the backdrop of social and political unrest which looms over the whole period but also with scientific breakthroughs that shaped our modern world The history of ELT runs parallel to

those events adopting different mainstream trends ranging from the Traditional or Latin like approach to foreign language teaching to the so called Grammar Translation Method and the Direct or Oral Method However special attention is also given to minor trends such as Eclecticism which constantly overlaps the mainstream trends This book is the first to take a close look at how the English language was taught and learnt in Spain for a two century period when the French language was the Spaniard s first choice when it came to learning a foreign language

Routledge Encyclopedia of Language Teaching and Learning Michael Byram,2004 This handbook deals with all aspects of contemporary language teaching and its history Produced for language teaching professionals it is also useful as a reference work for academic studies at postgraduate level

The Journal of English Language Teaching (India) ,2004 Race and Ethnicity in English Language Teaching Christopher Joseph Jenks,2017-08-14 This book examines racism and racialized discourses in the ELT profession in South Korea The book is informed by a number of different critical approaches to race and discourse and the discussions contained in the chapters offer one way of exploring how the ELT profession can be understood from such perspectives Observations made are based on the understanding that racism should not be viewed as individual acts of discrimination but rather as a system of social structures While the book is principally concerned with language teaching and learning in South Korea the findings are situated in a wider discussion of race and ethnicity in the global ELT profession The book makes the following argument White normativity is an ideological commitment and a form of racialized discourse that comes from the social actions of those involved in the ELT profession this normative model or ideal standard constructs a system of racial discrimination that is founded on White privilege saviorism and neoliberalism Drawing on a wide range of data sources this book is a must read for anyone interested in critically examining ELT

A History Of English Language Teaching: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. A History Of English Language Teaching : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
