## **A Quiet Place:**

*A Quiet Place* Douglas Wood, 2014-04-15 Sometimes a person needs a quiet place A place that s far away from the hustle and bustle of everyday life a place that isn t ringing or talking or roaring or blaring or playing But sometimes that place isn t easy to find You could look under a bush in your own backyard where the world seems far away and you could be a pirate on a desert island Or you could sit on an old stump in the woods amidst the glittering sunlight and mossy shadows and be a timber wolf You could look by the sea or in the desert or in a cool dark cave but if none of these places are right you could come home and discover another quiet place Perhaps the very best quiet place of all the one that s inside of you In poetic and gently philosophical prose acclaimed author Douglas Wood explores what it s like to find that special place where we all can think our own thoughts and feel our own feelings Dan Andreasen brings exquisite imagination and thoughtful wonder to words that will inspire readers of all ages to seek out their very own quiet place [The Quiet Place](#) Peter David, 2002-02-17 Ever since the fall of the Thallonian Empire Si Cwan has been searching for his younger sister the only other survivor of the royal family His quest has been a hard one filled with many disappointments but now it may be nearing its end On the planet Montos a mysterious young woman whose past is shrouded in secrecy finds herself pursued by both the fanatical Redeemers and a vicious race of feral predators known only as the Dogs of War All are in search of information regarding the true nature and location of the Quiet Place a mystical realm celebrated in myth and legend Only this same woman now called Riella may hold the secret of the Quiet Place a secret that the Redeemers and others will kill to possess Is Riella indeed Si Cwan s long lost sister Before he can learn the truth he and his crewmates must brave the unchecked savagery of the Dogs of War and enter the terrifying heart of the Quiet Place [A Quiet Place](#) Peter Burchard, 1972 [A Quiet Place](#) Douglas Wood, 2002 Text and illustrations describe some of the special places that one can go to be quiet and alone and to imagine such as a woods a seashore a library or inside oneself [A Quiet Place](#) Rose Blue, 1969 A little boy who loves books is desolate when the local library closes for reconstruction and he can find no quiet place at home to read [The Quiet Place](#) Elisabeth Stancy Payne, 1932 *Such a Quiet Place* Megan Miranda, 2021-07-13 From the New York Times bestselling author of *The Last House Guest* a Reese Witherspoon Book Club selection comes a new riveting suspense novel about a mysterious murder in an idyllic and close knit neighborhood We had no warning that she d come back Hollow s Edge used to be a quiet place A private and idyllic neighborhood where neighbors dropped in on neighbors celebrated graduation and holiday parties together and looked out for one another But then came the murder of Brandon and Fiona Truett A year and a half later Hollow s Edge is simmering The residents are trapped unable to sell their homes confronted daily by the empty Truett house and suffocated by their trial testimonies that implicated one of their own Ruby Fletcher And now Ruby s back With her conviction overturned Ruby waltzes right back to Hollow s Edge and into the home she once shared with Harper Nash Harper five years older has always treated Ruby like a wayward younger sister But now she s terrified What possible good

could come of Ruby returning to the scene of the crime And how can she possibly turn her away when she knows Ruby has nowhere to go Within days suspicion spreads like a virus across Hollow s Edge It s increasingly clear that not everyone told the truth about the night of the Truett s murders And when Harper begins receiving threatening notes she realizes she has to uncover the truth before someone else becomes the killer s next victim Pulsating with suspense and with the shocking twists that are Megan Miranda s trademark Such a Quiet Place is Megan Miranda s best novel yet a twisty locked box thriller that will keep you turning pages late into the night
