A Smile In The Mind:

SMILE Dr Dinesh Kapur,2019-06-03 Smile aims is to promote health and ease sufferings and offers sensible solutions for life s problems If understood with an open mind may upgrade one to any level The mind takes initiative in all activities and the body follows that Emotions are stronger than physical matter Corrections of emotional misbalance lead to harmony on the physical level Smile is the strength that stays in the very moment like the verses of imagination whenever one perceives in the interaction with another and the joy becomes an infinite spirit of living In religion one remains as a Hindu Mohammedan or Christian and so on as we are afraid because our religion is based on beliefs So everybody is trying to protect their flock by encountering others When anyone feels there is religious fragrance but no religion as such that is total freedom Liberation is practically possible in the smile state beyond any belief *Lawrence Durrell, an Illustrated Checklist* Alan G.
