A Sorrow Beyond Dreams:

A Sorrow Beyond Dreams Peter Handke, 2013-03-26 My mother has been dead for almost seven weeks I had better go to work before the need to write about her which I felt so strongly at her funeral dies away and I fall back into the dull speechlessness with which I reacted to the nerves of her suicide So begins Peter Handke's extraordinary confrontation with his mother's death In a painful and courageous attempt to deal with the almost intolerable horror of her suicide he sets out to piece together the facts of her life as he perceives them What emerges is a loving portrait of inconsolable grief a woman whose lively spirit has been crushed not once but over and over again by the miseries of her place and time Yet well into middle age living in the Austrian village of her birth she still remains haunted by her dreams **A Sorrow Beyond Dreams** Peter Handke, 1975 The noted Austrian writer reconstructs and recalls the relationships objects daily affairs dreams pain and despair of his mother's fifty one years in a small village and the final reality of her suicide **A Sorrow Beyond Dreams** Peter Handke, 2002 The avant garde Austrian novelist and playwright examines his mother's life which spanned the Nazi era the war and the postwar consumer economy ending in suicide while recording his rage over the problems that his mother left for him to solve after her death **SORROW BEYOND DREAMS: A LIFE STORY.
