M. EUGENE BORING

A Theology Of The New Testament

G. B. Caird

A Theology Of The New Testament:

A Theology of the New Testament George Eldon Ladd, 1974 *Theology of the New Testament* Udo Schnelle, 2009-11-01 Following his well received Apostle Paul prominent European scholar Udo Schnelle now offers a major new theology of the New Testament The work has been translated into English from the original German with bibliographic adaptations by leading American scholar M Eugene Boring This comprehensive critical introduction combines historical and theological analysis Schnelle begins with the teaching of Jesus and continues with a discussion of the theology of Paul He then moves on to the Synoptic Gospels the deutero Pauline catholic and Johannine letters and Revelation paying due attention to authorship chronology genre and canonical considerations This is an essential book for anyone with a scholarly interest in the New Testament **New Testament Theology** Leon Morris, 1990-08-21 *New Testament Theology* is a guide through the second half of the Bible with a specific eye on the culture from which the authors emerged to write their books It is an attempt to grasp the authors true meaning in a way other than the traditionally academic fashion **A Biblical Theology of the New Testament** Roy Zuck, 1994-10-09 Explore God s truth as it unfolded chronologically Companion volume to *A Biblical Theology of the Old Testament* **New Testament Theology** Frank J. Matera, 2007-01-01 In this systematic book by book exploration of the theology of each New Testament writing Frank J Matera explores theological diversity and unity in the writings of the New Testament After an introduction to the history and method of New Testament theology he explains and describes the theologies of the Synoptic Pauline and Johannine traditions as well as the rich theology of other New Testament voices Hebrews the Catholic Epistles and the book of Revelation Integrating both Protestant and Catholic approaches this work provides students pastors and scholars a comprehensive view of the New Testament that is rich in exegetical and theological insight **Biblical Theology of the New Testament** Bernhard Weiss, 1885 *The Nature of New Testament Theology* Robert Morgan, 2009-09-01 Explore biblical theology with monographs from a diversity of experts The *Studies in Biblical Theology* series includes a wealth of resources to help you understand the development of various doctrines concepts and terminology across the Old and New Testaments Investigate the characteristics of worship in the early church with studies on its liturgy and sacraments Fine tune your understanding of Jesus ministry by exploring his wilderness experience and the nature of his mission Delve into detailed word studies investigate Christological titles used by Paul and come to a new appreciation of the Ten Commandments These in depth treatments will give you a better grip on key theological themes found throughout the Bible **Theology of the New Testament** Rudolf Bultmann, 2007 Originally published New York Scribner 1951 1955 **The Theology of the New Testament** J. J. Van Oosterzee, 2021-02-16 *The Theology of the New Testament* Johannes Jacobus van Oosterzee, 1882 **New Testament Theology** G. B. Caird, 1994-06-03 Generations of students have known G B Caird as a penetrating and lucid guide to the many questions and problems posed by modern biblical study His brilliant commentaries on St Luke the Book of Revelation and St Paul s Prison

Epistles as well as his other studies on theology and the Bible have won for him a place among the twentieth century's foremost biblical scholars. This new and masterly presentation of New Testament theology, completed and edited since the author's death by Professor L. D. Hurst, takes the unique step of setting up an imaginary debate amongst the various authors of the New Testament themselves. As central concepts—predestination, sin, atonement, the church, sacrament, ethics, eschatology, and christology—are discussed between such figures as Luke, Paul, John, and the author of Hebrews, the work moves to its climax with a presentation of the theology of Jesus himself. The result provides a particularly fresh and illuminating picture of the ideas at the heart of Christianity, deserving a place on the shelf of every serious pastor, theologian, and student of the Bible.

The Theology of the Apostles Adolf Schlatter, 1998. Until this day, Adolf Schlatter's incisive theological work has remained something of a well-kept secret among English-speaking theologians and biblical scholars. The Anglo-American scholarly guild has been slow to award Schlatter the respect due him. During his lifetime, none of Schlatter's books were translated into English. His true stature, however, can be appreciated by the fact that the first volume of Gerhard Kittel's massive *Theological Dictionary of the New Testament* is dedicated to Kittel's teacher, Adolf Schlatter. While Schlatter may best be known for his commentaries on Matthew, John, or Romans, his theological approach is given its most pronounced expression in the two-volume *Die Theologie des Neuen Testaments*, written during his Tübingen years. Schlatter claimed the primacy of historical research in New Testament theology, rejecting the intrusion of subjective idealistic notions into the discipline. His insistence on the distinction between the two horizons of the biblical text—the ancient and the contemporary—and his affirmation of the preeminence of the first horizon are as timely today as they were then. At the same time, Schlatter did not rest content with historical exegesis. He urged the pursuit of the doctrinal task as not only truth for the New Testament community but also for us personally.

New Testament Theology Thomas R. Schreiner, 2008-06. This comprehensive survey of New Testament theology is arranged thematically and includes careful exegesis of key passages.

New Testament Theology James D. G. Dunn, 2009. Moves beyond a purely descriptive approach to the study of Scripture into a genuine and faithful application of the message of Scripture to questions of contemporary life.

The Biblical Theology of the New Testament Ezra Palmer Gould, 1900.

A Theology of the New Testament George Eldon Ladd, 1993-09-02. Ladd's magisterial work on New Testament theology has well served thousands of seminary students since its publication in 1974. Enhanced and updated here by Donald A. Hagner, this comprehensive standard evangelical text now features augmented bibliographies and two completely new chapters on subjects that Ladd himself wanted to treat in a revised edition: the theology of each of the Synoptic Evangelists and the issue of unity and diversity in the New Testament, written respectively by R. T. France and David Wenham.

The Christology of the New Testament, 1959-01-01. This book is invigorating to read for it is how biblical theology should be written. Professor Cullmann has set a high standard of biblical scholarship in this book, and it will be a great resource for students of sacred Scripture.

A New Testament Biblical Theology G. K. Beale, 2011-12-01.

Christianity Today 2013 Book Award Winner In this comprehensive exposition a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament G K Beale coeditor of the award winning Commentary on the New Testament Use of the Old Testament examines how the New Testament storyline relates to and develops the Old Testament storyline Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter day new creation and kingdom Offering extensive interaction between the two testaments this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ This major work will be valued by students of the New Testament and pastors alike

What is New Testament Theology? Hendrikus Boers,1979 Here is a review of the history of New Testament theology as a discipline from its roots in the Reformation era through subsequent developments from Johann Philipp Gabler to Rudolf Bultmann and beyond Boers encourages the reader to evaluate and understand a variety of theological approaches in keeping with the diverse nature of the New Testament texts

An Introduction to the Theology of the New Testament Alan Richardson,2017-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

This is likewise one of the factors by obtaining the soft documents of this **A Theology Of The New Testament** by online. You might not require more times to spend to go to the books initiation as competently as search for them. In some cases, you likewise pull off not discover the proclamation A Theology Of The New Testament that you are looking for. It will certainly squander the time.

However below, in the same way as you visit this web page, it will be appropriately utterly simple to get as skillfully as download guide A Theology Of The New Testament

It will not take many become old as we tell before. You can accomplish it even if comport yourself something else at house and even in your workplace. hence easy! So, are you question? Just exercise just what we offer under as without difficulty as evaluation **A Theology Of The New Testament** what you in imitation of to read!
