Minimalism is not about living an ascetic life. Instead, it's about removing stuff so you can create more space for the things you deeply care about.

Why You Should Check Out Minimalism 101

This book is divided in 3 parts:

- Part I: Why Minimalism. In this first part, you will learn what minimalism is and why we accumulate so much stuff and clutter.
- Part II: How to Become a Minimalist. We'll get practical. We'll talk about how you can adopt a minimalist lifestyle. And you'll learn tips, tricks, and practical tools to declutter your home and prevent it from clogging up again.
- Part III: How to Stay a Minimalist. Minimalist living isn't something you do just for a day. In this last part, you will learn how to become a minimalist and stay one. Here is what you will learn: What is Minimalism? Why do we accumulate so much stuff? The benefits of becoming a minimalist. Where to begin with the minimalist lifestyle. First steps for a Beginner minimalist. How to embrace minimalism in your daily life. How to make minimalism a habit. And much more.

What's most important, I will take you by the hand and teach you everything you need to know about the minimalist lifestyle. Finally, as a **FREE EXCLUSIVE BONUS**, you'll also get the chapter **What is Stoicism** from my other popular book **Stoicism For Beginners**. The bottom line: If you apply what you will learn in **Minimalism 101**, your life will never be the same. So buckle up and get ready for the ride. Let's get started, shall we?

True Minimalism Carey Harris, 2015-04-23

It's been called the lifestyle of the Millennials. Minimalism. Less is more. That's the idea behind this simplified lifestyle, which is often affiliated with small living spaces but goes way beyond downsizing and a minimalistic home free of clutter. Everything you own serves a purpose. Carey Harris defines minimalism in the modern society, talks about the advantages of minimalist living as well as the disadvantages and challenges of simple living, thus re-introducing a concept of quality over quantity. In his book, you will not only learn how to successfully declutter your home. You will learn how to budget for minimalist life. You will get organizing tips and ideas that will work even in small living spaces and tiny houses, and guidelines how to develop a minimalist wardrobe. You will even find minimalist home decorating ideas and minimalist lifestyle tips. Say good-bye to the long-prevalent but wasteful concept of keeping up with the Joneses and let Carey guide you on the path of a minimalistic way of living, which eventually leads to a less stressful and healthier life.

What is minimalism? At its core, minimalism involves the use of only the most basic, essential elements in design and art. In other words, minimalism involves art that utilizes the barest of essentials, nothing more, nothing less. So what is minimalism exactly? The short answer is that it's an art style entirely on a minimalist level. Minimalism can be viewed as an aesthetic principle or even a guiding principle for artistic creation. For some artists, minimalism comes easy; the result is a type of art where everything is simply added to the background, enhancing the piece instead of subtracting from it. For others, minimalism can be a difficult, frustrating way to express yourself because it requires the artist to not only pay attention to the appearance of their work but also to pay attention to the subtleties of form and color. Still others think of

minimalism in a more philosophical way claiming it to be the foundation for all creative endeavor Regardless of how one views minimalism it s apparent that it can add tremendous value to your home When you live with minimalism in your home it allows you to appreciate the simple pleasures of life You re less stressed out have more time to enjoy family and friends and don t waste money or energy trying to make art or literature out of everyday objects Because you re living a minimalist lifestyle you re able to appreciate simple pleasures like spending time with friends going for a walk in the park or enjoying that new cookbook you picked up at the local library This allows you to live a more enjoyable less stressful life

The Most Practical Modern Guide to Living a Minimalist Lifestyle in 7 Days

Is your house overflowing with stuff that you don't use or need? Clutter can overwhelm the senses, consume space, drain energy from our surroundings, cause stress and anxiety. This book will show you how to lighten up so you can walk into your home and be surrounded only by the things you love. Living in a minimalistic way means clearing the clutter from your life to focus on what's truly important. Chances are 75% of the things in your home are no benefit to your life at all. You'll also find that throwing out a few garbage bags feels even better than therapy. Why do you hold onto things? Here are just some of the reasons: Security but the paradox is that the more we cling, the more frustrated and overwhelmed we feel. Addiction: shopping is a high and the novelty wears off. Approval: keeping material representations of who we are is one way we show off. Identity: we identify with what we own so that's why we're upset when something is stolen or broken. Obligation to others: we please others by keeping gifts and inherited things we don't really like or need. By letting go of possessions that no longer serve us, we can let go of old beliefs, open ourselves up to new opportunities and relationships. See your home, your life for what they really are. Need less and do more. Cultivate meaningful relationships. Be more in tune with yourself in a meditative space. Stop shopping as a form of therapy. Stop wasting money. Restore clarity. FIND WHAT YOU REALLY VALUE. When you have inner clutter, it expands to your environment. So when you live in a clean and soothing environment, it can only benefit your inner life. Don't let the word minimalism scare you. Minimalistic living is not about getting rid of modern advancements and living in the stone age. It's only about keeping things that are useful, meaningful, and add value to your life. While it does not place importance on material things, and lavish living, minimalism is also not about denying yourself of the things you need. The guide is divided by different rooms and topics to make it easy and practical to refer to: Entryway, Kitchen, Living Room, Bathroom, Bedroom, Children's Rooms, Teen Rooms, Garage, Basement, Attic, Garden, Office, Computer Technology, Closets, Mail, Sentimental Objects, Photos, Cards, Letters, Music, People. This book also helps you recognize clutter, declutter, clean, organize your home room by room. Sell your things for profit. Shop for a minimalist wardrobe. Get your family on board. Declutter digital content and computer files. Go car-free or car-lite. Surround yourself with people who add value to your life. Maintain your space once you've minimized. Living with less is the first step to a peaceful mind. It makes space for the new to come in. Buy the book, put it into practice, and welcome positive change into your life now.
