*The Original Dream* Nukila Amal,2017 For Maya history is like a dream and her dreams are like a history of her life and how it relates to others Effortlessly defying and calling into question time and space Maya inhabits fantastical realities filled with shamans romantic longing a daughter s struggles and a flying dragon Lyrically flowing between Maya s multiple realities The Original Dream is the story of a young independent Indonesian woman trying to break free from cultural and social conventions while also searching for her place among family and friends With guidance from her parents coworkers and sister along with a newborn filled with the wisdom of elders Maya navigates her perceptions looking for answers to unknown questions Whether soaring through the nighttime sky caring for her nephew or tending to guests at the hotel where she works she tries to delineate the difference between dreams and reality and if such a difference even matters
