One Book to Rule Them All Joseph Chad Sycamore, I can draw a euphoric warmth into my body straight from thin air It s the same euphoria you get after a great workout often called a runner s high As you are well aware that warm pleasant feeling isn t just your body heating up from exercise it s a surge of joy and vitality that starts in your chest and spreads throughout your body lifting your spirits We actually feel different versions of this warmth in all sorts of happy moments soaking up the sunshine hugging someone we love or being blown away by an amazing piece of art In this preface I ll show how these seemingly unrelated experiences are actually different forms of the same thing all originating from a single source God Surprisingly everything that makes life breathtakingly beautiful and gives us goosebumps can be traced all the way back to before the Big Bang However this profound existential insight is not going to be the book s most crucial aspect What s really fascinating is that even while perfectly still in a dark and freezing room without any external stimuli or another person I can generate this same blissful warmth within a few breaths You ve probably heard of monks who can sit on ice for hours without feeling cold This isn t some superhuman ability it s the result of deep meditation far beyond anything a meditation app can offer That s why monks often choose solitude to

immerse themselves fully in this nourishing energy letting it embrace them for days and nights However I believe this warmth isn't meant to be kept for oneself it should be shared and transformed into something even greater So in my part of the story I'm excited to share this book with all of you explaining everything as clearly and simply as possible from how these experiences connect to God to how you can tap into this cosmic source of euphoria yourself You are welcome to share it with friends neighbors or even your local barista My hope is that it reaches those who need it most

Summary of Captivated by You A Book a Day,2016-09-29

Captivated by You Crossfire Series Book 4 is built using alternating chapters from the two main characters Gideon s and Eva s first person perspectives Captivated by You uses a unique and most refreshing literary device for romance genre and one which proves emotional ly anchoring for the reader and the couple Also unlike many other romance flicks this book attempts to bring in and deal with some weightier real life issues The narrative in this book is female focused as every attention is given to what we know about female readership preferences Our male hero Gideon is attentive rich good looking and bonus cherry on top yes ladies he cooks in the kitchen not just in bed Eva and most fe male readership will resonate with his continual doting Gideon is very needy on the love he both gives to and gets from Eva This is so much so that the book s title Captivated By You is understated and might be better renamed Can t Live an Hour Without You Yes it s a tongue in cheek title or at least his tongue in her cheek s title The two main characters are Gideon the book s central character and Eva the protagonist Gideon and Eva are two professional 20 somethings and painfully needy Largely their needi ness stems from their abusive sexual pasts While both characters come from prior dysfunction they meet their codependent states mostly with boxers down and skirts up In this novel sex is the glue holds all chapters together There is Monday night sex early morning sex wet shower sex dry sex make up sex midday sex weekend sex after work sex and sex after sex And yes this sex starts to wear thin as likely so do the sheets about chapter 10 or 11 However somewhere between psychosis and gratification the two seem to truly love one another as even the primal nature of the page garners Gideon s Angel mine and reflective poetry The softness of Gideon s poetic times provide balance for the violent foreshadowing which may be occurring in Day s narrative
