Martin,2018-09-07 This book contains over 1 250 unique test questions in the same format as the CISA exam The book covers
all five ISACA domains including The Process of Auditing Information Systems Governance and Management of IT
Information Systems Acquisition Development and Implementation Information Systems Operations Maintenance and Service
Management Protection of Information AssetsThe questions are presented in two formats In the same order as the
companion **Essential CISA Exam Guide** This allows you to quickly go the right chapter and location to find more information
about each question In random order to better simulate the actual exam This book is also available as an audio book read by
the author **CISA Review Manual 26th Edition** Isaca,2016 **Essential CISA Exam Guide** Phil Martin,2018-09-05
Essential CISA has been written with a single goal in mind to present the CISA material in a way that is easy to absorb
without leaving any content behind Plenty of examples are included to drive the points home so that when it comes time to
take the CISA exam you are ready This exam guide covers all five ISACA domains including The Process of Auditing
Information Systems Governance and Management of IT Information Systems Acquisition Development and Implementation
Information Systems Operations Maintenance and Service Management Protection of Information AssetsOver 250 exam text
questions are included Instead of presenting both technical details and auditing information at the same time Essential CISA
breaks the topics down into their own chapters This means that you have a firm grounding in the technical details before
diving into how to audit the various areas This book is also available as an audio book read by the author **Portuguese**
