Business Communication Essentials Courtland L. Bovée, John V. Thill, 2007 For courses in Business Communication and Skills Development and offering current material on technology etiquette and listening skills as well as a discussion of employment related topics this is a handbook of grammar mechanics and usage *Essentials of Business Communication* Mary Ellen Guffey, Dana Loewy, 2013-01-01 **Essentials of Business Communication** Mary Ellen Guffey, 2004 Public Relations Ethics Dick Martin, Donald K. Wright, 2015-11-24 This book represents a practical guide to ethical decision making tailored specifically to the needs of those who practice and study public relations It traces the development of ethical theory from ancient Greece through the works of Socrates Plato and Aristotle to modern day public relations executives including Harold Burson Robert Dilenschneider and Richard Edelman This book helps readers build personal frameworks for ethical reasoning that will enable them not only to recognize the ethical issues at play in public relations practice but also to analyze the conflicting duties and loyalties in these situations This volume fills a gap in the currently available books on the subject most of which either lack theoretical grounding or practical application Illustrative cases used in this book span a wide range of public relations functions To update readers on issues discussed in this book the authors have started an online conversation Please join the discussion at Updates PRehics com *The Social Biome* Andy J. Merolla, Jeffrey A. Hall, 2025-02-11 A deep dive into the importance of daily communication and how we can harness its power to create a better life We spend much of our waking lives communicating with others How does each moment of interaction shape not only our relationships but also our worldviews And how can we create moments of connection that improve our health and well being particularly in a world in which people are feeling increasingly isolated Drawing from their extensive research Andy J Merolla and Jeffrey A Hall establish a new way to think about our relational life as existing within social biomes complex ecosystems of moments of interaction with others Each interaction we have no matter how unimportant or mundane it might seem is a building block of our identities and beliefs Consequently the choices we make about how we interact and who we interact with and whether we interact at all matter more than we might know Merolla and Hall offer a sympathetic practical guide to our vital yet complicated social lives and propose realistic ways to embrace and enhance connection and hope *Essentials of Business Communication, Eighth Edition* Mary Ellen Guffey, 2010 *Digital Indonesia* Edwin Jurriens, 2018-02-14 This book places Indonesia at the forefront of the global debate about the impact of disruptive digital technologies Digital technology is fast becoming the core of life work culture and identity Yet while the number of Indonesians using the Internet has followed the upward global trend some groups e the poor the elderly women the less well educated people living in remote communitiess are disadvantaged This interdisciplinary collection of essays by leading researchers and scholars as well as e governance and e commerce insiders examines the impact of digitalisation on the media industry governance commerce informal sector employment education cybercrime terrorism religion artistic and cultural expression and much
