Family and Civilization Carle C. Zimmerman, 2008-01-25 Originally published New York Harper 1947 The New Agrarian Mind Allan C. Carlson, 2017-07-05 The self sufficiency and regional outlook of farm life characterized the United States until the Civil War period With the triumph of the industrial North over the rural South the expansion of urbanism and the closing of the frontier the agrarian sector became an economic and cultural minority The social benefits of rural life a sense of independence commitment to democracy an abundance of children stable community life were threatened This volume examines the rise of a distinctive agrarian intellectual movement to combat these trends The New Agrarian Mind now in paperback synthesizes the thought of twentieth century agrarian writers It weaves together discussions of major representative figures such as Liberty Hyde Bailey Carle Zimmerman and Wendell Berry with myth shattering analyses of the movement s cultural diversity intellectual influence and ideological complexity Collectively labeled the New Agrarians to distinguish them from the simpler Jeffersonianism of the nineteenth century they shared a coherent set of goals that were at once socially conservative and economically radical **LIFE** ,1948-07-26 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use Marriage and the Family, an Integrated Approach for Catholics Alphonse Henry Clemens, 1957 Our Threatened Freedom R. J. Rushdoony, 2014-10-20 Far from carrying out its Biblical mandate to be a terror to evildoers civil government in America has increasingly become a terror to its law abiding citizens R J Rushdoony s essays seem even more timely today as we are witnessing a staggering display of state intrusion into every area of life This is the outcome of humanistic thinking It is the end result of political salvation as both Left and Right continue to practice the belief that we can somehow get better or less government by way of politics However Rushdoony s comments are pastoral and theological not political He did not spin the issues for political gain but spoke as a man who feared God and desired to know how God s Word was applicable to our times Throughout these concise insightful essays you will see that true and lasting freedom is the end result of responsible faithful Christians exercising self government in terms of God s Word **The Family, as Process and Institution** Clifford Kirkpatrick, 1955 **Selected Studies in Marriage and the Family** Robert Francis Winch, Graham B.
