Lewis,2023-12-11 Tea has been enjoyed by people all across the globe for far longer than you would think The first cup of tea was supposedly brewed in China about 2600 BC when dried herbs were accidentally blown into a pot of hot water The mythology is debatable but one thing is certain humanity has been making tea for over 2 000 years We also know there are over 20 000 distinct tea varieties this is fantastic news for tea fans constantly looking for new tastes and scents to add to their pantry It is great news for individuals who have always dreamed of growing their tea in the comfort of their homes A tea garden can be a lovely spot to relax Many believe growing tea is difficult but it is quite easy and gratifying Tea gardens offer a variety of health advantages and have a pleasant fragrance There are several options for building a tea garden each with its aesthetic and functional benefits You can plant outdoors in a vegetable patch or in the backyard Another option is to create a larger scale tea garden with plants of several species in the front or even the side yard of your home [The Illustrated Guide to the Zen Tea Ceremony](#) Soryo Matsumura,2026-05-12 Reduce stress and enrich your life through the Japanese tea ritual This richly illustrated book by tea master Soryo Matsumura shows you how to use the ancient Japanese tea ceremony to reduce stress and live a more enriching life It is written for complete novices and explains all aspects of the tea ceremony with a focus on three major themes How to perform the tea ceremony both at home and in more formal gatherings The stress reduction benefits this ritual provides helping you to appreciate the little things in life How the tea ceremony helps to connect us with others transcending age gender and creed As well as showing you all the basics how to sit what to wear and how to follow the etiquette of tea preparation drinking and conversation Matsumura explains in a warm and friendly tone how this meditative practice has wider benefits He encourages you to reflect on the importance of things like Keeping your surroundings clean and organized Setting appropriate boundaries in personal relationships Increasing your self esteem and communicating well Filled with beautiful color illustrations throughout this book is perfect for anyone seeking to bring greater peace and mindfulness into their everyday life **The Keto Diet Guide Cookbook: A Guide on How to Stay in Ketosis** Ivan Markovic, The popularity of the ketogenic diet and intermittent fasting has recently been on the increase and you re certainly one of those who have become interested in the dietary regimens Both of them work the same way in so many and having a low carb diet can even make it quite easier to practice intermittent fasting This book is for those who want to take a step further in their keto journey toward enjoying the amazing health benefits of combining the keto diet with intermittent fasting You will be getting some great keto diet recipes along with a shopping list to help guide you on what you need to purchase Some of the challenges most individuals on the keto diet experience include dehydration keto flu and electrolyte imbalance By reading this book you will discover various ways to replenish your electrolytes and stay hydrated while on a keto diet This content will also look at various concepts associated with keto such as carb cycling ketosis and how to deal with high fasting blood glucose One of the challenges of sticking to a keto diet is the fact that it may lead to what is known as keto flu Part of the reason for this is that you may not be getting the sufficient level of nutrients you require

since you're not eating much. Even when you're consuming the same quantity of food you normally eat, you're often restricted to certain kinds of foods. One of the ways to manage such challenges is supplementation. We shall also be looking at the reasons why you need to take different types of keto supplements as well as the different types of supplements that will enhance athletic performance.

Kitchen Chemistry Amanda Gyuran, TJ Anderson, 2021-02-09. It's no secret that cooking at home and creating meals from scratch is often healthier than dining out or reheating pre-made food. What might come as a surprise though is that doing so with your partner has its own set of health benefits. From refining communication skills, increasing feelings of support, creating quality bonding time, and stimulating sex drive, cooking a meal together is the new and improved date night. Authors TJ Anderson and Amanda Gyuran will highlight each step of the process for readers creating rituals for relationships. In doing so, couples develop in and out of the kitchen, preparing food, emotional intimacy, practices, and creating time together. By incorporating these rituals, each meal made in *Kitchen Chemistry* will leave you feeling fully nourished on a physical, emotional, and relational level. This unique cookbook for couples features 100 whole food-based recipes, homemade aphrodisiacs, and intimacy rituals that will create better health together. This is the perfect book to grow closer to your partner, get messy, and get healthier all at the same time.
