Developing a Christian Apologetics Educational Program Douglas E. Potter, 2010-02-18 Many are expressing concern about the future of Christian youth today What can we do to help ensure they will keep their evangelical faith once they graduate from high school Can Christian apologetics provide an educational solution Developing A Christian Apologetics Educational Program explores issues certain to be encountered by secondary school educators who want to teach apologetics as a distinct subject of study either as a part of a Christian institutional or home school curriculum This book helps the apologist and educator blend their skills to soundly integrate the two subjects A solution is sought by providing a background and rationale for implementing an age level appropriate apologetics course at this critical level of Christian education This book is designed as a text to supplement those used in Christian education or applied apologetics courses each chapter successively builds upon the other to help develop an educational philosophy that supports the inclusion of apologetics in the curriculum A model is explained and materials are given to support the development of a curriculum in Christian Apologetics Education at the secondary level Practical ideas are explored and a sample unit of instruction is supplied to help the educator develop an evangelical approach to education that is in the classical apologetic tradition

The Harvest Handbook™ of Apologetics Joseph M. Holden, 2019-02-26 The Harvest Handbook of Apologetics is a rich and unparalleled resource The writers here are among the best in this discipline and will add to your thinking in enriching ways Ravi Zacharias This long overdue volume is crucial to the next generation of missionaries and apologetic evangelists Norman L Geisler Some of the most well known scholars of our time This is a must read for anyone who seeks to share the gospel and defend the faith Josh McDowell Do You Truly Understand Your Faith Can You Defend It Scripture calls every believer including you to be prepared to defend the faith 1 Peter 3 15 From the preacher to the churchgoer the teacher to the student The Harvest Handbook of Apologetics is the comprehensive resource all believers need in a world full of uncertainty and relentless criticism This collection of well reasoned Scripture based essays comes from respected Christian apologists and Bible scholars including Norman L Geisler Josh McDowell Gary R Habermas Walter C Kaiser Jr Ron Rhodes Edwin M Yamauchi John Warwick Montgomery William A Dembski Randy Alcorn Stephen C Meyer Randall Price Ed Hindson What is the evidence for Jesus s existence How can you address the seeming contradictions in the Bible How can you best explain the relationship between science and faith You ll discover concise and convincing responses to these questions and many more Defending your faith is a lifelong quest and this handbook is the perfect guide to help you skillfully answer the topics people ask about Prepare to contend for the faith you call your own Jude 3 and become equipped to evangelize with wisdom and passion

Stepping Stones to Christianity Peter S. Williams, 2025-10-17 Stepping Stones to Christianity introduces a rational case for Christianity in three steps starting with scientific arguments for

design in cosmology and biology moving on to philosophical arguments for the existence of God and closing with an overview of the evidence for a Christian understanding of the historical Jesus in the context of competing contemporary worldviews By bringing together revised and expanded versions of materials written to introduce three of the author's Essays on books with Wipf Stock Stepping Stones to Christianity equips readers to consider the case for design in nature to investigate philosophical arguments for God and to wrestle with the identity of Jesus

Philosophy of Religion Norman L. Geisler, Winfried Corduan, 2003-01-15 Is there any basis in reality for a religious experience Is there any basis in reason for belief in God Is it even possible to speak meaningfully of a transcendent being And how does one account for evil The authors answer these questions representing the four most important issues in the philosophy of religion in a comprehensive way and form the perspective of classical theism They support this position with in depth argumentation taking into account both classical and contemporary writers With its well outlined text Philosophy of Religion is user friendly An introduction chapter summaries a glossary indexes and bibliography contribute to this end In this second edition the authors have not only updated the text and bibliography but also refined some of the arguments scaled down and evened out the vocabulary and added several pedagogical aids The first edition written by Norman L Geisler alone appeared in 1974

10 Answers for Atheists Alex McFarland, 2012-09-28 With notable nonbelievers such as Richard Dawkins Sam Harris and Christopher Hitchens featured prominently in the media it is no surprise that many Christians wonder how best to answer the growing number of atheist arguments they encounter every day 10 Answers for Atheists is a one of a kind resource from respected Christian apologist Alex McFarland that looks closely at the philosophical assumptions at the root of atheism and agnosticism and exposes the logical historical and conceptual fallacies that perpetuate unbelief Readers will find easy to understand charts and clear explanations of key beliefs as well as trustworthy biblical answers to the honest questions posed by atheists and agnostics Every reader no matter where he or she falls on the spectrum of belief will hear a call to thoughtful engagement with the historic Christian faith
