Sora for Beginners Create and Monetise AI Videos from Text Prompts is a practical step by step guide for anyone who wants  
to use OpenAI Sora to turn written ideas into structured AI generated videos This book is designed for beginners content  
creators affiliate marketers YouTubers and digital product builders who want cinematic style visuals without cameras actors  
or traditional editing software Many people are curious about text to video AI but quickly get stuck once they open the  
interface They see multiple creative options style variations scene controls and prompt fields without a clear starting  
sequence Tutorials online often focus on features instead of process skip essential steps or assume prior experience in  
filmmaking The result is confusion inconsistent outputs and wasted time experimenting without structure This guide removes  
that friction by teaching a clear repeatable workflow for AI video creation You learn exactly how to move from concept to  
finished clip including how to prepare a simple idea structure a strong text prompt define scene details refine tone and visual  
style and iterate logically without starting over Each stage builds in sequence so you always know what to do next Inside you  
will follow practical builds that can be reused or adapted including Creating a short cinematic intro for a YouTube channel  
Generating AI B roll from a written script Turning product notes into a simple promotional clip Converting a blog post into a  
short visual sequence Building short faceless content using text prompts The book introduces simple frameworks to reduce  
decision fatigue such as a Scene Blueprint method a Prompt Expansion pattern and a Refine and Review loop These  
repeatable structures make AI filmmaking more manageable and consistent Naturally integrated throughout the guide are  
beginner friendly search topics such as AI text to video tutorial Sora AI video creation guide create AI videos from text  
cinematic AI video prompts AI video monetisation guide text to video workflow for beginners AI video for YouTube creators  
generate video from script no camera video production AI filmmaking for beginners OpenAI Sora tutorial step by step digital  
content video automation AI B roll generation method create promotional videos with AI and simple AI video production  
system You will also learn how to Improve prompt clarity for stronger visuals Structure scenes for cinematic flow Control  
style tone and pacing Export usable clips for digital platforms Apply AI generated video in real content workflows Rather  
than abstract discussions about artificial intelligence this book focuses on practical execution Each example demonstrates a  
small recognizable build that shows how to move from written text to finished video output using a structured method No  
prior video production experience is required No complex editing software knowledge is assumed The emphasis remains on  
usability sequence and clarity so you can confidently create AI videos from text prompts and apply them in practical digital
