Miller's A Praying Life](#) Everest Media, 2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The most common frustration with prayer is the activity itself We last only about fifteen seconds and then our minds are off on a tangent We catch ourselves and try to pray but we can't because our prayer antennae are badly damaged 2 We have a prayer list but praying through the list gets tedious and nothing seems to happen The list becomes long and cumbersome and we lose touch with many of the needs 3 American culture is the hardest place in the world to pray We are so busy that when we slow down to pray we find it uncomfortable We prize accomplishments production and intellect We can do life without God and praying seems unnecessary 4 Prayer is odd We are talking to air when we pray and we don't know how or when a spirit will show up Most Christians feel frustrated when it comes to prayer
