## **A Star Called Henry Roddy Doyle:**

A Star Called Henry Roddy Doyle, 2004-10-05 Roddy Doyle's acclaimed novel about an intrepid Irishman's years of reckless heroism and adventure. An extraordinarily entertaining epic. The Washington Post: Born at the beginning of the twentieth century, Henry Smart lives through the evolution of modern Ireland and in this extraordinary novel he brilliantly tells his story. From his own birth and childhood on the streets of Dublin to his role as soldier and lover in the Irish Rebellion, Henry recounts his early years of reckless heroism and adventure. At once an epic, a love story, and a portrait of Irish history, *A Star Called Henry* is a grand picaresque novel brimming with both poignant moments and comic ones and told in a voice that is both quintessentially Irish and inimitably Roddy Doyle's. *A Star Called Henry* Roddy Doyle, 2009 **Roddy Doyle: a Star Called Henry** Petra Wollmann, 2002 Erläuterungen Zu Roddy Doyle, A Star Called Henry Hans-Georg Schede, 2010

**"Blighted Beginnings"** Jonathan Bolton, 2010 This book also looks at how authors have persistently used the bildungsroman to complicate and challenge the idealization of the family, exposing the divorce ban as symptomatic of an unrealistic notion of domestic inviolability. This study concludes with a discussion of the future of the bildungsroman in a country that has transcended many of its formative crises. This chapter considers Doyle's *A Star Called Henry* as a text that inaugurates a new phase in Irish coming-of-age narratives in which many of the problems of Irish life formerly treated so earnestly and tragically can be a source of play and humor. By looking at a comprehensive range of novels by writers like Sean O'Faolain, Elizabeth Bowen, Edna O'Brien, and William Trevor, as well as lesser-known figures like Eimar O'Duffy, Francis MacManus, and Mary Morrissy, *Blighted Beginnings* traces the evolving concerns of Irish writers as they pushed for a greater accommodation of individual freedoms and aspirations. **BOOK JACKET** **Haunted historiographies** Matthew Schultz, 2016-05-16 The spectres of history haunt Irish fiction. In this compelling study, Matthew Schultz maps these rhetorical hauntings across a wide range of postcolonial Irish novels and defines the spectre as a non-present presence that simultaneously symbolises and analyses an overlapping of Irish myth and Irish history. By exploring this exchange between literary discourse and historical events, *Haunted historiographies* provides literary historians and cultural critics with a theory of the spectre that exposes the various complex ways in which novelists remember, represent, and reinvent historical narrative. It juxtaposes canonical and non-canonical novels that complicate long-held assumptions about four definitive events in modern Irish history: the Great Famine, the Irish Revolution, the Second World War, and the Northern Irish Troubles, to demonstrate how historiographical Irish fiction, from James Joyce and Samuel Beckett to Roddy Doyle and Sebastian Barry, is both a product of Ireland's colonial history and also the rhetorical means by which a post-colonial culture has emerged.

Irish on the Inside Tom Hayden, 2001 Hayden proposes that today's Irish Americans need to re-inhabit their history to develop a specific ethnic identity. **History is Mostly Repair and Revenge** Liliana Sikorska, 2010 Papers presented at a symposium organized by the Dept of English Literature and Literary Linguistics, School of English, Adam Mickiewicz

University in Poznań     Postcolonial Literature Dave Gunning, 2013-09-05 Introduces an array of fiction and poetry examining how writers from Africa Australasia the Caribbean Canada Ireland and South Asia have engaged with the challenges that beset postcolonial societies Discusses many of the most studied works of postcolonial literature from *Disgrace* through *Things Fall Apart* to *White Teeth*     *Ireland, Migration and Return Migration* Sinéad Moynihan, 2019-03-08 Drawing on literary historical and cultural studies perspectives this book examines the phenomenon of the Returned Yank in the cultural imagination Taking as its point of departure *The Quiet Man* 1952 it provides a cultural history that charts the ways in which the Returned Yank indexes a set of recurring anxieties in Ireland from 1952 to the present     **Oh, Play That Thing** Roddy Doyle, 2005-10-25 The sequel to Roddy Doyle's beloved novel *A Star Called Henry* an entertaining romp across America in the 1920s Fleeing the Irish Republican paymasters for whom he committed murder and mayhem Henry Smart has left his wife and infant daughter in Dublin and is off to start a new life When he lands in America it is 1924 and New York City is the center of the universe Henry turns to hawking cheap hooch on the Lower East Side only to catch the attention of the mobsters who run the district In Chicago Henry finds a newer America alive with wild happy music played by a man with a trumpet and bleeding lips called Louis Armstrong But in a city also owned by the mob Armstrong is a prisoner of his color He needs a man a white man and the man he chooses is Henry Smart     No Country for Old Men Paddy Lyons, 2008 The concepts of Ireland and Irishness are in constant flux in the wake of an ever increasing reappraisal of the notion of cultural and national specificity in a world assailed from all angles by the forces of globalisation and uniformity Reimagining Ireland interrogates Ireland's past and present and suggests possibilities for the future by looking at Ireland's literature culture and history and subjecting them to the most up to date critical appraisals associated with sociology literary theory historiography political science and theology     **Roddy Doyle, A Star Called Henry (in English)** Roddy Doyle, 2009
