From New York Times Bestselling authors Vi Keeland and Penelope Ward comes a new sexy standalone novel It all started with a bet When my young son inherited half of his great grandfather s historic inn I decided to move us both to the place where I grew up Notice I said half of the Inn The other half now belonged to Levi Miller the famous quarterback who had other ideas about what we should do with the property We won t mention that I accidentally injured him during our first meeting causing him to get eight stitches You could say we got off on the wrong foot We bickered a lot as we both moved into the property while we figured things out He wanted to unload the rundown place which admittedly needed a lot of work I wanted to restore The Palm Inn to its original beauty and re open it as a bed and breakfast We couldn t agree on anything So Levi made me a proposal One he thought I would surely lose If I could sell out the place by the time he had to leave for training at the end of summer he would back off and let me run it But in the weeks that followed we got more than we bargained for while we were living under the same roof Levi and I got closer and before I knew it my nightly fantasies about the brawny Adonis became a reality Not to mention he was so great with my son We were in over our heads in more ways

than one Because not only was he the last man on Earth I should be falling for because of our deal but Levi was also my ex s
older brother And now the inn was the least of my problems *Throb* Vi Keeland,2015-01-26 **The Invitation** Vi
