America's Abandoned Sons Robert S. Miller,2012-06-19 QUOTE Tens of thousands of America s WWII Korean Conflict and Vietnam War military servicemen ended up as hostages secretly hijacked into the USSR Today this regrettable saga is still one of America s most closely guarded secrets As WWII ended Stalin captured all of Germany s eastern areas in which tens of thousands of captured American POWs were then being detained by Hitler s armed forces Stalin secretly held them as hostages and denied any knowledge of them as the Cold War began Their status unknown Washington eventually declared them dead when in fact they were still alive in captivity Thousands more were lost the same way when the Korean War ended China and the USSR secretly exploited these hostages for intelligence purposes and then also disposed of them Vietnam saw still more held back by Hanoi after that conflict ended for the same reasons again Today these abandoned sons a few of whom may still be alive in captivity as you read this are considered one of Washington s most closely guarded secrets Now is time to expose this secret and end this unfortunate Cold War saga

Jehovah's Witnesses in Europe Gerhard Besier,Katarzyna Stokłosa,2021-08-18 The history of Jehovah s Witnesses in Europe has always been one of persecution This third volume documents this history turning eastward For the first time the circumstances of a religious minority under different political systems can be compared across the continent The studies gathered here provide insight into the methods of repression used by governments and mainstream churches the survival strategies of Jehovah s Witnesses and their various experiences under Eastern European dictatorships The initially cordial relationship with Jehovah s Witnesses that developed after 1990 has steadily reverted to religious discrimination culminating in Russia s renewed ban of Jehovah s Witnesses in 2017 and the confiscation of their properties By violating the universal human right of religious freedom the same conditions that prevailed in the Soviet era have now returned to modern Russia With severest discrimination and abusing jurisdictional procedures to reach their political aspirations the State tries to crush

a religious community Against this background it is all the more important not to turn a blind eye to the situation of religious minorities in Eastern Europe but instead to take an honest public stance against it Looking for Mr. Smith Linda Willis,2010-11 Since 1956 The Long Walk has been for many the symbol of an immense love of freedom and has become one of the greatest true life adventure stories of all time The harrowing story about a group of POWs who escaped a labor camp in Siberia and walked to freedom in India during WWII deeply affected thousands of its readers and Linda Willis was one of those moved by the story But she had questions about its authenticity Was it all true What happened after their arrival in India Were there others involved in the story Who was Mr Smith Though she was not a trained researcher Willis felt compelled to look at some of the most powerful aspects of the story and to try to dig to the core of the truth behind The Long Walk Willis s investigation took her down unforeseen byways with many hours spent unraveling facts truths half truths rumors and the like She waded through archives wrote and spoke to hundreds of people and continued to seek out and verify the details of the greatest adventure narrative ever written The path of Willis s research will be a model for anyone attempting a similar search and who has ever thought about the story behind a book No one who reads Looking for Mr Smith will ever think of The Long Walk in the same way The Last Eyewitnesses, Volume 2 Jakub Gutenbaum,Agnieszka Latala,2005-09-06 This book serves as a memorial to loved ones who do not even have a grave as well as a tribute to those who risked their lives and families to save a Jewish child A wide variety of experiences during the Nazi occupation of Poland are related with wrenching simplicity and candor experiences that illustrate horrors and deprivation but also present examples of courage and compassion **The World's Greatest Escapes** Ian Fellowes-Gordon,1967 **Army Directory ...** United States.
