Capitalist Nigger Download:

Capitalist Nigger Chika Onyeani, 2012-03-27 Capitalist Nigger is an explosive and jarring indictment of the black race. The book asserts that the Negroid race as naturally endowed as any other is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding, and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the devil-may-care attitude and the killer instinct of the Caucasian, as well as the spider web mentality of the Asian. A Capitalist Nigger must embody ruthlessness in pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the Capitalist Nigger, Chika Onyeani charts a road to success whereby black economic warriors employ the Spider Web Doctrine, discipline, self-reliance, ruthlessness to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor, and former diplomat.

Capitalist Nigger Chika Onyeani, 2025-11-02 Provocative, daring, acerbic but truthful Capitalist Nigger exposes the endemic frailties that debilitate and dehumanize the Black race into dependency, complacency, low esteem, and inaction, as if these were divinely ordained. Onyeani's tirade is angry but affectionate; it is a tongue-lashing but genuinely concerned about the fate of his race. As usual in life, this kind of truth scathes the ears. After all, charity begins at home with one's own race. Dr. Michael C. Malherbe, Professor Chair, Africana Studies, Humanities Department, Hostos Community College of the City of New York. This is a book of passionate outrage and collective self-reproach. The beginning of self-reform is self-criticism. This author manifests a combination of anguish, anger, and patriotism. Ali A. Mazrui, D. Phil. Oxon, Albert Schweitzer Professor in the Humanities, Director of Global Cultural Studies, Binghamton University. Capitalist Nigger excels as an explosive and jarring indictment of the Black race. The book asserts that the Negroid race as naturally endowed as any other is culpably a non-productive race. The Black race is a consumer race and depends on other communities for its culture, its language, its feeding, and its clothing. Despite enormous natural resources, Blacks are economic slaves because they lack the devil-may-care attitude and killer instinct of the Caucasian, as well as the spider web mentality of the Asian. Capitalist Nigger contends that only as Economic Warriors, employing the Spider Web Economic Doctrine, can the Black race escape from their victim mentality. Resilience and the Localisation of Trauma in Aceh, Indonesia Catherine Smith,2018 The globalisation of psychiatry has helped shape the way suffering and recovery is experienced in Aceh Indonesia a region with a long history of violent conflict In this book Catherine Smith examines the global reach of the contested yet compelling concept of trauma which has expanded well beyond the bounds of therapeutic practice to become a powerful cultural idiom shaping the ways social actors understand the effects of violence and imagine possible responses to suffering In Aceh conflict survivors have incorporated the globalised concept of trauma into local languages healing practices and political imaginaries The incorporation of this globalised idiom of distress into the Acehnese medical moral landscape provides an ethnographic perspective on suffering and recovery and contributes to contemporary debates about the globalisation of psychiatry and its ongoing expansion outside the domain of medicine
