S. Pacat, 2016-02-02 The stunning conclusion of worldwide phenomenon from the boldly original author of Captive Prince and Prince s Gambit I fell in love with the writing the characters and the story V E Schwab 1 New York Times bestselling author His identity now revealed Damen must face his master Prince Laurent as Damianos of Akielos the man Laurent has sworn to kill On the brink of a momentous battle the future of both their countries hangs in the balance In the south Kastor s forces are massing In the north the Regent s armies are mobilising for war Damen s only hope of reclaiming his throne is to fight together with Laurent against their usurpers Forced into an uneasy alliance the two princes journey deep into Akielos where they face their most dangerous opposition yet But even if the fragile trust they have built survives the revelation of Damen s identity can it stand against the Regents final deadly play for the throne Captive Prince C. S. Pacat, 2013-02 Damen is a warrior hero to his people and the rightful heir to the throne of Akielos but when his half brother seizes power Damen is captured stripped of his identity and sent to serve the prince of an enemy nation as a pleasure slave Beautiful manipulative and deadly his new master Prince Laurent epitomizes the worst of the court at Vere But in the lethal political web of the Veretian court nothing is as it seems and when Damen finds himself caught up in a play for the throne he must work together with Laurent to survive and save his country For Damen there is just one rule never ever reveal his true identity Because the one man Damen needs is the one man who has more reason to hate him than anyone else *Star Observer Magazine September 2015* Elias Jahshan, 2015-08-18 **New Frontiers in Popular Romance** Susan Fanetti, 2022-06-07 In the twenty first century the romance genre has gained a growing academic response including the creation of the International Association for the Study of Popular Romance Popular romance has long been so ignored and maligned that seemingly every scholarly work on it opens with a lengthy defense of the genre and its value for academic study Even the early scholarly works on the genre approach it in ways that while primarily respectful make sweeping generalizations about popular romance its texts and its readers This essay collection examines the position of the romance genre in the twenty first century and the ways in which romance responds to and influences the culture and

community in which it exists Essays are divided into six sections which cover the genre's relationship with masculinity the importance of consent historical romance representation social status and web based romance fiction **Navigating Children's Literature through Controversy**, 2023-09-20 This collection focuses on the specific issue of controversy as a cross sectional aspect of contemporary children's and YA literature in a spectrum stretching from national experiences to explore the impact of specific historical economic and social environments on the rise of controversies to international exchanges in which controversies are generated specifically by the interactions between cultures to international contexts that deal with controversies relevant on a global scale By adopting controversy as an adjustable lens for a joined consideration of literary themes narrative or aesthetic solutions translation choices publishing and marketing decisions and discursive practices the volume establishes a diversified collection of chapters that offers new insight into functions of children's and YA literature in contemporary culture **Current Opinion** Edward Jewitt Wheeler, Frank Crane, 1905
