California. Court of Appeal (3rd Appellate District). Records and Briefs California (State)., **The Curt Brown**

Chronicles Michael J. Pallamary, 2011-03-11 Curtis M Brown has long been recognized as the world's foremost authorities on land surveying. His works and textbooks are found in virtually every Land Surveyors library across the country. His legal principles have been adopted by a large number of courts across the United States and his books are standard reference works for practicing Land Surveyors. The Curt Brown Chronicles presents a collection of papers, lectures, and articles prepared by Mr Brown in the course of developing the principles and authorities for his textbooks and classes. While serving as a member of the American Congress on Surveying and Mapping (ACSM), Mr Brown was a regular contributor to *The Surveyor and Law* and the *Comment and Discussion* columns, as well as other important articles. In this capacity, Mr Brown would respond to inquiries from Land Surveyors across the United States on a variety of subjects related to land surveying and the application of relevant law. His opinions continue to have considerable influence on the professional land surveying community and the legal community. Many of the papers contained in *The Curt Brown Chronicles* have not been released since their original publication in the 1950s and 1960s. Nevertheless, the subjects are still germane and in many ways, Curt's focus on many subjects was prescient. Mr Brown's articles on Land Surveyors' Liability to Unwritten Rights, Land Surveyors' Ethics, and The Professional Status of Land Surveyors are still considered relevant and are held in as high a regard as is Justice Thomas Cooley's Chief Justice Supreme Court of Michigan 1864-1885 famous article *The Judicial Functions of Surveyors*. *The Curt Brown Chronicles* has been compiled with the consent and permission of ACSM and the Brown family.
