Communication strategies for product recalls in the healthcare business Thomas Osche, 2010-03-01 Master's Thesis from the year 2007 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 3 Anglia Ruskin University Ashcroft International Business School language English abstract After a series of cardiac implantable device recalls hit the industry in the year 2005 the question of a favourable corporate communication strategy about inevitable product recalls was raised Knowing that it is impossible to produce 100% failure free products I was personally interested in seeing how such recalls occurred and how successful they were handled by the different companies from a communication perspective This thesis analyses such device recalls since the year 2000 and attempts to identify a favourable communication strategy for the companies involved in such recalls in the future Qualitative analysis was performed on various secondary data sources to find

positive and negative aspects of different communication strategies for the affected companies Four companies could be analysed where three provided significant results which were used for final recommendations Those recommendations are provided to support active corporate communication The basis of the recommended communication strategy is as follows Provide disclosure about probabilities of malfunctions while supportive to the most powerful stakeholders which are the physicians and the regulatory authorities When one company faces a recall it is favourable to take accountability and give advice to physicians about how to respond to their patients because they are facing the problem of having all the information at hand without an adequate guideline which summarises a clinical decision on how to act and how to weight risks of keeping the existing device versus the risks of device change out procedures Keywords communication strategy crisis management corporate communication healthcare business *Value Pack* Gerry Johnson,2005-01-13 [Exploring Corporate Strategy](#) Gerry Johnson,2005 [Contemporary Strategic Management](#), Google eBook Robert M. Grant,Bella Butler,Humphrey Hung,Stuart Orr,2012-02-02 Contemporary Strategic Management 1st edition is an Australasian adaptation of Robert Grant s successful text With an emphasis on competitive advantage this text provides students with an up to date and comprehensive coverage of core topics and concepts including the impact of the global financial crisis With examples from Australia New Zealand and the Asia Pacific region the text has been written in a lively and engaging manner to promote student learning and understanding Consideration is given to all types of organisations including public sector organisations and steers away from an excessive focus on large organisations The text also incorporates up to date detailed cases on Australasian organisations such as Cascade Brewery Company Malaysian Airlines and Bunnings Warehouse **American Book Publishing Record** ,2005 *Forthcoming Books* Rose Army,2001 **HERCMA 2001** ,2002 **Large Chinese State-Owned Enterprises** Yong Zhang,2008-01-15 Large state owned enterprises SOEs have made significant contributions to the development of China s economy and its reform This book explores the various reforms and the impact of corporatisation on the strategic development of large SOEs Understanding more about the development of large SOEs in a changing context is not only of academic significance it also has important practical implications for policy makers and practitioners [Leading, Managing and Developing People](#) Gary Rees,Ray French,2013 The only book designed specifically for the CIPD s new core unit Leading Managing and Developing People *Management* David Boddy,2005 The language is highly accessible and this makes it particularly suitable for undergraduate and international students at all levels The combination of extended case material shorter cases and illustrations of management in practice makes for a varied and stimulating approach The activities will encourage and enable students to work independently to develop both their knowledge and skills Abby Cathcart Sunderland Business School University of Sunderland I like the activities that explicitly ask for critical reflection and am sure that my students will benefit from the development of their critical thinking skills The cases and examples in the book are helpful both because they come from a wide variety of national backgrounds and because
