various ways of claiming ownership in the Ancient Near East such as inscribed monuments the use of seals and the branding of slaves The NC presupposes that Yhwh has claimed Israel by placing Yhwh s own name on her In this light the first two commands of the Decalogue reinforce the two sides of the covenant declaration I will be your God you will be my people The first expresses the demand for exclusive worship and the second calls for proper representation As a consequence the NC invites a richer exploration of what it means to be a people in covenant with Yhwh a people bearing his name among the nations It also points to what is at stake when Israel carries that name in vain The image of bearing Yhwh s name offers a rich source for theological and ethical reflection that cannot be conveyed nonmetaphorically without distortion or loss of meaning
