Peter Varlow,2008 The internet and other new technologies have changed the tourism industry in an unprecedented way and
keeping pace has become challenging Online information is now one of the primary influences on consumer decisions in
nearly all major markets For example 41 per cent of tourists arriving in Spain in 2007 had booked through the internet and in
the United States the number of trips bought online exceeded those purchased offline Such changes are impacting and
influencing the way destinations and companies manage and market themselves **Literature and the Web** Robert
