

How to Improve Your Speaking & Writing Skills

Improve Speaking

1. Learn more useful phrases not separate words.

It's better to learn phrases instead of trying to speak in sentences, and then adapt them for any situation. Besides, memorizing lists of separate words is also a waste of time.

2. Grammar is not the King

To become fluent, you need to be able to speak without pausing to think of the correct words and sentence construction. That's why you should forget about grammar and just speak!

3. Practice with Others

You can practice with a native English speaker on Preply.com or you can find people who learn English just like you and talk to them via Skype.
