The 80 20 Principle The Secret Of Achieving More With:

The 80/20 Principle, Third Edition Richard Koch,2011-11-09 Be more effective with less effort by learning how to identify and leverage the 80 20 principle that 80 percent of all our results in business and in life stem from a mere 20 percent of our efforts The 80 20 principle is one of the great secrets of highly effective people and organizations Did you know for example that 20 percent of customers account for 80 percent of revenues That 20 percent of our time accounts for 80 percent of the work we accomplish The 80 20 Principle shows how we can achieve much more with much less effort time and resources simply by identifying and focusing our efforts on the 20 percent that really counts Although the 80 20 principle has long influenced today s business world author Richard Koch reveals how the principle works and shows how we can use it in a systematic and practical way to vastly increase our effectiveness and improve our careers and our companies The unspoken corollary to the 80 20 principle is that little of what we spend our time on actually counts But by concentrating on those things that do we can unlock the enormous potential of the magic 20 percent and transform our effectiveness in our jobs our careers our businesses and our lives

The 80/20 Principle Richard Koch,2011-01-11 This special 10th anniversary edition of the bestselling The 80 20 principle contains an entirely new chapter The Yin and Yang of the Principle in which Koch responds to the thousands of reader responses to the book including a rap song and uses this new material to reach a new level of awareness and understanding of the true power of the principle And it is powerful the 80 20 principle the fact that 80 per cent of results flow from 20 per cent of causes is the one true principle of highly effective people and organisations The 80 20 Principle shows how you can achieve much more with much less effort time and resources simply by concentrating on that all important 20 per cent The 80 20 Principle is the key to controlling our lives If we can latch on to the few powerful forces within and around us we can leverage our efforts to multiply effectiveness Most of what we do has trivial results A little of what we do really matters So if we focus on the latter we can control events instead of being controlled by them and achieve several times the results
