[What's My Child Thinking?](#) Eileen Kennedy-Moore, Tanith Carey, 2019-02-19. Make every moment with your child count. Tap into the psychology behind your child's behavior at every stage of development and respond with confidence. Find out what your child really means when he says "Look what I did, but I'm not tired" or "You're embarrassing me" and discover what's really going on when he can't express himself at all. Using more than 100 everyday scenarios, the book leads you through each one step by step, explaining not only your child's behavior and the psychology behind it but also your own feelings as a parent. It then gives instant recommendations for what you could say and do in response to best resolve the situation.
