Critical Lives Muhammad Yahiya Emerick:

The Life and Work of Muhammad Yahiya Emerick,2002 Given the current prominence of Islam it has become more important than ever that Westerners and Muslims gain an accurate look at who Muhammad was and what he stood for Provides a fascinating picture of both Muhammad and the world in which he lived Rather than settling in to the comfortable life of a merchant Muhammad had a vision of himself bringing the message of the one God to his idolatrous people Coverage includes the claim to prophethood Muhammad s teachings and his first converts the Muslim flight to Medina Muhammad s battles and the eventual bloodless Muslim conquest of Mecca Muhammad s political victory in the Arabian peninsula and wars with Byzantium and Persia the death of Muhammad and the ways in which his message lived beyond him and Muhammad s place in history his role in Muslim theology and cosmology the ways he is viewed in different Muslim sects and regions and the influence of Muhammad today in Islamic movements both peaceful and fundamentalist Critical Lives:

Muhammad Yahiya Emerick,2002-04-01 Muhammad was a religious visionary and political leader Raised in the harsh Arabian Peninsula and orphaned while still a child this unlikely leader and military genius received a calling to transform his society from a collection of raiding tribes into one of the world s most progressive societies His message of monotheism and righteousness motivated an entire people to abandon idolatry and spread the word of God to surrounding nations Although he was a military genius his greatest accomplishments came from the religion he preached Islam which called its adherents to lead a life of prayer charity and contemplation The second largest religion in the world both Islam s prophet and its values are today often misunderstood by adherents and outsiders alike This concise informative biography explores Muhammad s background and boyhood as well as the culture and society in which he lived A look at Muhammad as a family man and how his personal life was a testament to his high regard for women Muhammad s mission as a prophet and his new religion s philosophy on topics ranging from monotheism to interfaith relations The Qur an and how it was revealed how Muslims view it in their religious life and the concept of Jihad from Muhammad s perspective The Critical Lives series takes a biographical look at pivotal fascinating people and a critical look at the work and accomplishments that rightly or wrongly made them unique influential and enduring Discover the events that shaped their lives and how they came to shape our world

Cracks in the Crescent Hussein Hajji Wario,2009-02 Cracks in the Crescent unravels some esoteric aspects of Islam by conspicuously illustrating them throughout Hussein s upbringing as a Muslim his conversion to Christianity and the ensuing persecution Contemporary Muslim-Christian Encounters Paul Hedges,2015-07-30 Contemporary Muslim Christian

Encounters Developments Diversity and Dialogues addresses the key issues in the present day global encounter between Christians and Muslims Divided into two parts the first examines theoretical issues and concerns which affect dialogue between the two traditions The second part highlights case studies from around the world Chapters come from established scholars including Reuven Firestone Douglas Pratt and Clinton Bennett emerging scholars as well as practitioner

perspectives Highlighting the diversity within the field of Christian Muslim encounter case studies cover examples from the US and globally and include dialogue in the US post 9 11 Nigerian Muslims and Christians and Christian responses to Islamophobia in the UK Covering unique areas and those not explored in detail elsewhere Contemporary Muslim Christian Encounters Developments Diversity and Dialogues will be of interest to advanced students researchers and interfaith professionals

Abraham's Curse Bruce Chilton,2008-02-19 When they arrived at the place which God had indicated to him Abraham built an altar there and arranged the wood Then he bound his son and put him on the altar on top of the wood Abraham stretched out his hand and took the knife to kill his son The Book of Genesis The story of Abraham s acceptance of God s command to sacrifice his son Isaac is one of the most disturbing of all biblical stories Isaac is spared only at the last moment when an angel stops Abraham s hand Theologians and scholars have wrestled with the question of why God asked Abraham to kill his beloved son why Abraham acquiesced and why in some interpretations he actually killed his son In Abraham s Curse Bruce Chilton traces the impact of the story of Abraham and Isaac on the beliefs and teachings of Judaism where Abraham is regarded as the forefather of Israel Islam where he provides the role model for Muhammad and Christianity where he is the ancestor of King David whose lineage culminates in Jesus As Chilton examines the story s significance he makes the case that far from only reflecting the violence of an ancient unenlightened time the sacrifice of children in the name of religion is still a fundamental part of our lives and culture from Islamist suicide bombings to militant Zionism and graphic glorifications of the Crucifixion of Christ
